### APPROVAL OF MINUTES

Senator Hardenburger made a motion to approve the minutes of February 6, 1995. The motion was seconded by Senator Sallee. The motion carried.

### REQUESTS FOR INTRODUCTION OF BILLS

Martha Jenkins, Sprint, requested a bill be introduced amending KSA 78-5a01 and 78-5b01 which would define a public utility to exclude interexchange carriers in order to remedy the disparate property tax treatment between interexchange carriers and other competitive businesses.

Senator Bond made a motion to introduce this bill. The motion was seconded by Senator Ranson. The motion carried.

Senator Langworthy requested a bill be introduced that would deal with the repeal of the statutory fund levy limitation.

Senator Bond made a motion to introduce this bill. The motion was seconded by Senator Sallee. The motion carried.

### DISCUSSION AND POSSIBLE ACTION ON BILLS PREVIOUSLY HEARD

Chris Courtwright, Legislative Research Department, reviewed the many bills in the House and Senate to reduce motor vehicle taxes. (Attachment 1) These bills would all take effect January 1, 1996. The assessed tax rate on motor vehicles at present is 30% and the rates would be reduced by different methods and percentages. (See attachment 1) **SB 150** would phase in a reduction of 15% over a 10 year period. Other bills have different percentages and are over different time periods.

There were questions from the committee concerning the fiscal impact of **SB 150**. The fiscal impact for 1996 would be \$31.2 million. Would the fiscal impact continue to snowball in the future? Mr. Courtwright answered it is projected that for two reasons it would not because of the increase in the value of cars and the county wide mill levy will continue to go up. Senator Lee stated it would be a shift to other mill levies because in the smaller counties there is not enough growth.

Mr. Courtwright then reviewed the orange attachment which lists several different motor vehicles of different age and what the taxes would be in each Kansas county. (Attachment 2)

CONTINUATION SHEET

MINUTES OF THE SENATE COMMITTEE ON ASSESSMENT AND TAXATION, Room 519-S  
Statehouse, at 11:00 a.m. on February 7, 1995.

Senator Bond made a motion to pass favorably **SB 150**. The motion was seconded by Senator Ranson.

A comment was made from a committee member that there needs to be a discussion also of the ad valorem taxes on real estate.

The statement was made that **SB 150** is a blend of several bills. However, the budget will have to be tightened and it is a prudent approach as the budget and also school finance are discussed. Some members felt it is a good step to get this bill moving. There was also a question if this would drop Kansas from being the highest state in the nation in motor vehicle taxes. Staff said it would be hard to project but it is likely Kansas will move down in the rankings.

The vote was taken. The motion carried.

The meeting adjourned at 11:50 a.m.

The next meeting is scheduled for February 8, 1995.
