The Chair opened **SB 662** for discussion and final action.

The Chair recognized Representative Shore who gave a brief background of the bill and offered a balloon which would leave the fee at \$7.00 for two years with distribution being \$2.50 for the Highway Patrol motor vehicle fund and \$1.00 for the database fee fund. Also, **HB 3076**, which provided for the Secretary of Revenue to charge and collect fees to provide access to or furnish copies of data constituting public records in the VIPS and CAMA systems, was amended into **SB 662**. The balloon also stated all highway patrol motor vehicles would be equipped with fixed mounted rotating or oscillating lights with the superintendent of the highway patrol to be given the authority to maintain a limited number of vehicles without the lights for the purpose of performing special functions or duties. Representative Shore made a motion to adopt this balloon, seconded by Representative Dillon.

Representative Powell made a substitute motion to pass the balloon but to amend to delete the section referring to the lights on the highway patrol vehicles, seconded by Representative Correll and the motion carries.

The Chair adjourned the meeting at 2:10 p.m.
