Others attending: See attached list

Chairman Bradley recognized Tom Wilder who explained that the first bill, which at present does not have a number, related to non-profit service corporations, non-profit medical service corporations, non-profit optometric service corporations, and non-profit pharmacy service corporations, was not yet ready because of some amendments and the repealing of existing sections. No action was taken on this bill.

**HB 2045 - Analysis of Acquisition & Disclosure of Material Transactions**

Chairman Bradley recognized Tom Wilder who explained the bill. Representative Tanner made a motion to pass out the bill favorably. Representative Tomlinson seconded the motion and it passed.

The next meeting is scheduled for January 28, 1997.
