Chairman Kejr mentioned to the committee that there was no agenda for this meeting as this is just an organizational meeting. Discussion was made on the best time for everyone to attend these meetings. It was decided that 7:30 a.m. to 9:00 a.m. Tuesday through Friday would work best for everyone. Chairman Kejr mentioned that our schedules would have to be flexible as everyone has prior commitments.

The next order of business was to set up priorities the committee wanted to accomplish during this time period.

Prison expansion, inmate trends, current bed space in facilities and expansion plans and other options for housing inmates were some of the priorities discussed by the committee.

After an open discussion on priorities of the committee, the meeting was adjourned at 10:55 a.m.
