The Chairperson opened the meeting stating the committee meetings would start promptly at 1:30.

The Chairperson introduced himself, the secretary, vice chairperson and ranking minority member. The remaining committee members introduced themselves and stated the area they represented, how long they had been a representative and how long they had served on Human and Health Services Committee.

The members in the audience introduced themselves and stated the organizations they represent.

Representative Gilmore moved and Representative Storm seconded introduction of three bills that the Task Force recommended. The motion carried.

The Chairperson stated the Committee Rules and an invitation from Jim Yonally had been distributed then asked if there were any questions regarding the Committee Rules.

Microphones are present and should be passed around and used for the person speaking enabling everyone to hear and so the recorder can pick up on tape. The seating arrangement is tentative and will be permanent at the next meeting. Names plates have been ordered and it is hopeful they will be received. Also, am trying to secure Room 123-S for a committee room as it would be much easier for the handicapped people to access.

The meeting adjourned at 1:45 p.m. The next meeting will be January 19.
