

Approved: 3-18-99  
Date

MINUTES OF THE SENATE COMMITTEE ON AGRICULTURE.

The meeting was called to order by Chairperson Steve Morris at 10:00 a.m. on March 17, 1999 in Room 423-S of the Capitol.

All members were present except:

Committee staff present:     Raney Gilliland, Legislative Research Department  
                                      Jill Wolters, Revisor of Statutes  
                                      Nancy Kippes, Committee Secretary

Conferees appearing before the committee:

    David Pope, Chief Engineer, Water Resources Division, Department of Agriculture

Others attending:     (See Attached)

David Pope, Chief Engineer, Water Resources Division, Department of Agriculture, continued his overview briefing on the Division of Water Resources on page 18 of the report (Refer to Attachment 1 of March 10, 1999). He outlined the Water Structures Program, stating that the Division of Water Resources is given responsibilities in several statutes and enumerated those responsibilities. Mr. Pope concluded his overview briefing.

Senator Clark made a motion to approve the minutes of the March 16, 1999 meeting as submitted. Senator Umbarger seconded. The motion carried.

The next meeting will be March 18, 1999.
