The Chairperson announced the meeting was called to consider gutting **Sub SB 584 - Grants institutional license in particular circumstance** which authorizes the granting of a license to practice medicine and surgery to a specific individual who met the requirements set out in the statute. This would remove **Sub SB 584** language and replace with the Senate version of **HB 2315 - Licensure of occupational therapists** as amended by Senate Committee of the Whole.

HB 2315 was altered by the Senate and this will offer a clean bill. This will give the Senate one more chance to work **HB 2315** by itself.

The Chairperson asked if there was a motion to replace **Sub SB 584** with **HB 2315**?

Representative Morrison moved and Representative Lightner seconded to adopt **HB 2315** as passed by the Senate Committee. The motion failed. Yeas - 5 and Nays 7.

The Chairperson said there was no further action.

Representative Welshimer moved to accept **HB 2315** - as amended by the Senate Committee.

The Chairperson said this was not what we were meeting on and the meeting adjourned at 10:15 a.m.
