

MINUTES OF THE SENATE ASSESSMENT AND TAXATION COMMITTEE

The meeting was called to order by Chairman Barbara Allen at 10:30 A.M. on January 24, 2007 in Room 519-S of the Capitol.

All members were present except:
Derek Schmidt- excused

Committee staff present:
Chris Courtwright, Kansas Legislative Research Department
Martha Dorsey, Kansas Legislative Research Department
Gordon Self, Office of Revisor of Statutes
Jason Thompson, Office of Revisor of Statutes
Judy Swanson, Committee Assistant

Conferees appearing before the committee:
Richard Cram, Kansas Department of Revenue
Sky Westerlund, Kansas Chapter national Association of Social Workers

Others attending:
See attached list.

Senator Jim Barone requested introduction of a bill granting sales tax exemption to Frontenac Education Foundation. Senator Lee moved to introduce requested bill. Senator Bruce seconded the motion, and the motion passed.

Senator Lee moved to introduce a bill that would form a Tax Modernization Commission. Senator Bruce seconded the motion, and the motion passed.

Senator Allen moved to introduce a bill granting sales tax exemption for Jazz in the Woods. Senator Bruce seconded the motion, and the motion carried.

Senator Allen moved to introduce a bill granting sales tax exemption for Johnson County Young Matrons. Senator Jordan seconded the motion, and the motion carried.

Senator Allen moved to introduce a bill granting sales tax exemption for TLC for Children and Families Foundation. Senator Jordan seconded the motion, and the motion carried.

Senator Allen moved to introduce a bill granting sales tax exemption for all 501(c)(3) organizations. Senator Donovan seconded the motion, and the motion carried.

Senator Allen moved to introduce a franchise tax bill, which would be a modified version of the Governor's franchise tax recommendation. Senator Apple seconded the motion, and the motion carried.

Senator Apple moved to introduce a bill granting sales tax exemption for Ottawa Suzuki Strings. Senator Bruce seconded the motion, and the motion carried.

SB 91--Social security number or tax identification number required for licensure, certification or registration with state authorities

Hearing on **SB 91** was opened. Richard Cram, Kansas Department of Revenue, testified KDOR has requested membership lists for discovery matching from 20 to 29 licensing agencies to date. (Attachment 1) All have provided SSNs except the Kansas State Board of Technical Professions. **SB 91** would clarify the licensing agency has the authority to require the license applicant to make that disclosure and in turn provide information to KDOR, in conformity with the federal law. During discussion, KDOR agreed to provide a copy of a legal opinion stating the Kansas State Board of Technical Professions is not required to provide KDOR the SSNs of their licensees. Mary Feighny, Assistant Attorney General, testified this is not a formal Attorney General opinion. She provided this opinion to the Board in her capacity as General Counsel for the Kansas State Board of Technical Professions. She testified it is currently illegal for any organization to

turn over its licensees' SSNs, because it is a violation of the Federal Privacy Act. The opinion is dated August, 2006. She agreed to provide copies of the opinion to committee members. She said this legislation would make it legal for agencies to turn over licensee SSNs to KDOR.

In response to Senator Apple, Jeff Scott, KDOR, said the identification number on a valid Kansas Driver's License does not fall under the same privacy criteria as SSNs. When a driver's license is renewed, applicants must provide their SSN; however, the tax system and driver's license system at KDOR do not "talk" to each other. Mr. Cram said if only the last four digits of a SSN were used, there was the possibility of over 10,000 numbers that might match.

Sky Westerfield, Kansas Chapter National Association of Social Workers, testified in favor of **SB 91**. (Attachment 2) She cautioned against submitting SSNs through an online process for security reasons. Jeff Scott, KDOR, said the Department of Revenue collects the information on CDs, then destroys the CDs.

Hearing on **SB 91** was closed.

SB 92--Electronic funds transfer of sales tax moneys collected on the isolated and occasional sale of motor vehicles

Hearing on **SB 92** was opened with testimony from Richard Cram. (Attachment 3) It would require sales tax revenues collected by County Treasurer offices to be remitted daily to KDOR. County Treasurer offices already remit other fees and registrations by EFT daily. Richard Samaniego, Kearney & Associates, said the county treasurers have a neutral position on this bill.

Hearing on **SB 92** was closed.

SB 34--Additional projects that qualify pursuant to the transportation development district act

Discussion was held on **SB 34**. Senator Jordan moved to amend SB 34 on page 2, line 14, by deleting the word "facade"; and to further amend the bill on page 2, line 20, by adding the sentence, "Project" includes a building facade but only when part of remodeling, repairing, enlarging or reconstructing an existing building. Senator Donovan seconded the motion, and the motion carried.

Senator Lee moved to pass SB 34 as amended favorable for passage. Senator Donovan seconded the motion, and the motion carried.

Chris Courtwright briefly reviewed:

SB 26--Adjustments to the homestead property tax act related to refunds and filing requirements

SB 27--Verification of income by certain claimants who are renters under the homestead property tax refund act

SB 28--Providing asset test requirement for claimants of homestead property tax refunds

Bruce Larkin, KDOR, proposed amending **SB 28** on lines 13 & 14 by deleting "who owns or controls assets with an aggregate fair market value exceeding \$250,000" and inserting in lieu thereof, "owning or occupying a homestead that is not rental property and for which the appraised valuation for property tax purposes exceeds \$300,000." (Attachment 4) KDOR Secretary Joan Wagon said this bill would target abusers of the homestead tax exemption law. It would not cure the problem, but it would help close the loopholes.

Senator Apple moved to adopt the proposed amendment to SB 28 and substitute \$200,000 for \$300,000. Senator Lee seconded the motion, and the motion carried.

Senator Lee moved to report SB 28 as amended favorably for passage. Senator Goodwin seconded the motion, and the motion carried.

Senator Lee moved to amend the language in SB 27 into SB 26. Senator Donovan seconded the motion, and the motion carried.

CONTINUATION SHEET

MINUTES OF THE Senate Assessment and Taxation Committee at 10:30 A.M. on January 24, 2007 in Room 519-S of the Capitol.

Senator Lee moved to report SB 26 as amended favorably for passage. Senator Donovan seconded the motion, and the motion passed.

Senator Bruce moved to approve the Minutes of the January 18 Committee meeting. Senator Pine seconded the motion, and the motion carried.

Joan Wagon discussed a Township Fund report with the Committee. (Attachment 5) Unfortunately all of the information that is filed by townships goes on paper. If townships were required to file their information electronically, comparisons could be made of the information. Secretary Wagon said there may be a bill that has been introduced in the House to require electronic filings by townships. She will check and report back to the Committee.

The meeting adjourned at 11:40 p.m. The next meeting will be January 25.

Testimony to the Senate Committee on Assessment and Taxation

Senate Bill 91

Senator Allen, Chair, and Members of the Committee:

Senate Bill 91 proposes to amend K.S.A. 74-139 to require applicants for various state licenses to include their social security or tax identification numbers on the applications submitted to the state licensing agency. That statute currently requires state agencies issuing licenses to provide applicant social security numbers and tax identification numbers to the Director of Taxation in the Department of Revenue, but only authorizes those state agencies to request from the applicant the social security number or tax identification number. Federal law authorizes states to require individuals to furnish their social security numbers to facilitate the administration of the state's tax laws. 42 U.S.C. Section 405(c)(2)(C)(i). Any social security number provided to the Department is kept strictly confidential, along with other taxpayer information.

Our state agency license matching program has been an excellent compliance tool. We have requested memberships lists for discovery matching from 20 of the 29 licensing agencies to date. All have provided complete information including SSN's except the Kansas State Board of Technical Professions and their 14,494 licenses. The Board of Technical Professions recently obtained an Attorney General's opinion that they were not required to provide the Department the social security numbers of their licensees, due to the fact that K.S.A. 74-139 only authorizes state agencies to request a licensee's social security number, and the Board had not advised its licensees that disclosure of the social security number was voluntary. Senate Bill 91 would make clear that the licensing agency has the authority to require the license applicant to make that disclosure and in turn provide that information to the Department, in conformity with federal law.

To date, we have matched 336,567 of the 423,556 licensee's which is 79% of the licensee's in Kansas. Without the SSN, we cannot complete the match.

The department does not have the authority to withhold the license if a delinquency exists. However, we are using our authority to collect the debt. It is a little slower perhaps than if the license was contingent on being current, but we believe the recovery from this project will continue to increase due to taxpayers continuing to pay on payment plans, pending Petitions for Abatement, etc.

Boards matched to date: Behavioral Sciences Regulatory Board, Board of Accountancy, Board of Emergency Medical Services, Board of Nursing, Board of Optometry Examiners, Department of Health & Environment, Insurance Department, Judicial Branch, Kansas Bureau of Investigation, Kansas Dental Board, Kansas Department of Revenue, Kansas Securities Commission, Kansas State Board of Cosmetology, Kansas State Board of Mortuary Arts, Kansas State Board of Pharmacy, Kansas State Department of Education, Real Estate Appraisal Board, Real Estate Commission, State Bank Commissioner, State Board of Healing Arts

We have recently received all the Kansas Restaurant Licenses from KDHE and will be matching them also for all tax and filing types. Passage of Senate Bill 91 is essential to the effectiveness of and continued viability of the Department's state agency license matching program, and we urge its enactment.

Senate Bill 91

Concerning licensure relating to social security numbers

Sky Westerlund, LMSW

Executive Director, Kansas Chapter, National Association of Social Workers (KNASW)

KNASW is the professional association working on behalf of the profession and practice of social work in Kansas. Social workers have been licensed to practice at three levels of expertise since 1976. These are the baccalaureate (LBSW), the master (LMSW), and the clinical social worker (LSCSW). There are over 5500 social workers practicing and serving thousands of persons in Kansas every day. Social work is a broad and inclusive profession which allows social workers to provide services and care in a wide variety of settings, such as child welfare, juvenile justice, private practice, military bases, hospitals, hospices, disaster events, domestic violence, aged care, substance abuse, community mental health centers, schools, public health organizations, community programs and many more.

As licensees, social workers are held to a higher standard of conduct than non-licensed persons. Paying owed taxes is a personal responsibility that contributes to earning the public trust, which is part of social work licensure. KNASW supports the more strict language compelling licensees to submit their social security number when applying for or renewing their social work license for purposes of cross referencing with the taxing authority.

While it is not currently a problem, KNASW would like to express one caution. With the increase of online processes, there must continue to be the option for social workers, as licensees, to submit their paperwork through means other than online. No matter how secure online systems are or may become, there will likely be licensees who simply are not comfortable submitting the social security number via online.

Thank you for your consideration.

Senate Bill 92

Senator Allen, Chair, and Members of the Committee:

Senate Bill 92 would amend K.S.A 79-3604 to require sales tax revenues collected by County Treasurer offices to be remitted daily to the Department of Revenue beginning on January 1, 2008. County Treasurers currently collect sales tax on isolated and occasional (private) motor vehicle sales and on out-of-state motor vehicle purchases at the time the vehicle is locally registered.

The proposal also makes a technical cleanup to K.S.A. 79-3604 on lines 29 and 30, adding the words "title and" in front of "registration" and removing the words "or ownership" after the word "registration." For consistency, it is suggested the same change be made on line 39.

Our fiscal note indicates that for fiscal year 2008, the proposal would generate approximately \$65,000 of interest income, as the requirement to begin daily transfers is to be initiated on January 1, 2008. The proposal is estimated to generate \$135,000 annually in interest income thereafter. Our fiscal note is attached.

County Treasurer offices already remit driver license fees, registration, title fees, verifications and repossession money to the Department by EFT daily. The Department will develop a new report to assist County Treasurers in reconciling daily receipts to the monthly tax return, and the Department will work with the County Treasurers to ensure a smooth transition. The January 1, 2008 initiation date is intended to provide adequate time for that transition.

2007 Senate Bill 092a Fiscal Note

Introduced as a Senate Bill

Brief of Bill

Senate Bill 92, as Introduced, amends K.S.A 79-3604 to require sales tax revenues collected by county treasurer offices to be remitted daily to the department of revenue beginning on January 1, 2008. The proposal also makes a technical cleanup to the statute.

The Act would be effective on July 1, 2007.

Fiscal Impact

For fiscal year 2008, the proposal would generate approximately \$65,000 of interest income as the requirement to begin daily transfers is to be initiated on January 1, 2008. The proposal is estimated to generate \$135,000 annually in interest income. The estimate is based on annual receipts from county treasurer offices of \$90 million a year, or \$357,000 per work day (21 work days per month). The receipts would be received 1 to 29 days earlier and generate interest for the state. An interest rate of 3.5% was used in computing the estimate.

Administrative Impact

There will be a learning curve for the county treasurers and the department in transmitting the receipts and reconciling daily receipts to the monthly sales tax return. County Treasurer offices already remit driver license fees to the department by EFT daily. Customer Relations will require a new report to assist in reconciling daily receipts to the monthly tax return. The department will work with the county treasurers to ensure a smooth transition.

Administrative Problems and Comments

On lines 29 and 30, a change was made to add the words "title and" in front of registration and remove the words "or ownership" after the word registration. For consistency, it is suggested the same change be made on line 39.

Taxpayer/Customer Impact

This will result in some loss of revenues at the county from transmitting the sales tax revenues daily.

Suggested Amendment to Senate Bill 28

Senator Allen, Chair, and Members of the Committee:

The Department suggests the attached balloon amendment to Senate Bill 28, which provides that a person owning or occupying a homestead that is not a rental property and for which the appraised valuation for property tax purposes exceeds \$300,000 will not be entitled to a homestead property tax refund.

Also attached are charts showing the number of homestead refund claims for tax year 2005 at various property tax levels ranging from \$1500 to in excess of \$4,000, and the number of homestead refund claims in the metropolitan counties involving homesteads with appraised valuations of \$300,000 or more and \$400,000 or more.

For tax year 2005, there were a total of 1,412 homestead refund claims that showed \$0 for household income.
