Date

MINUTES OF THE HOUSE GOVERNMENT EFFICIENCY AND TECHNOLOGY COMMITTEE

The meeting was called to order by Chairman Jim Morrison at 12:30 P.M. on March 13, 2008, at the third-floor Rotunda rail of the Capitol.

All members were present except Representatives Swenson and Tafanelli, both of whom were excused.

Committee staff present:

Gary Deeter, Committee Assistant

Conferees appearing before the committee:

None

The Chair outlined the purpose of the meeting by referencing a draft scope statement from Legislative Post Audit proposing to audit the Behavioral Sciences Regulatory Board (Attachment 1). Commenting on the two questions proposed by the audit, he said that some evidence had come to light that the Board did not adequately supervise its members.

A motion was made, seconded, and passed unanimously to request that the proposed audit of the BSRB go forward. (Motion, Representative Wilk; second, Representative Siegfried)

The meeting was adjourned at 12:37 p.m.
