

CHAPTER 51

HOUSE BILL No. 2633
(Amended by Chapter 180)

AN ACT relating to motor vehicles; concerning impoundment of motor vehicles; amending K.S.A. 8-1102 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 8-1102 is hereby amended to read as follows: 8-1102. (a) (1) A person shall not use the public highway to abandon vehicles or use the highway to leave vehicles unattended in such a manner as to interfere with public highway operations. When a person leaves a motor vehicle on a public highway or other property open to use by the public, the public agency having jurisdiction of such highway or other property open to use by the public, after 48 hours or when the motor vehicle interferes with public highway operations, may remove and impound the motor vehicle.

(2) Any motor vehicle which has been impounded as provided in this section for 30 days or more shall be disposed of in the following manner: If such motor vehicle has displayed thereon a registration plate issued by the division of vehicles and has been registered with the division, the public agency shall mail a notice by certified mail to the registered owner thereof, addressed to the address as shown on the certificate of registration, and to the lienholder, if any, of record in the county in which the title shows the owner resides, if registered in this state, stating that if the owner or lienholder does not claim such motor vehicle and pay the removal and storage charges incurred by such public agency on it within 15 days from the date of the mailing of the notice, that it will be sold at public auction to the highest bidder for cash. The public agency shall inquire by mail of the division of vehicles the last registered owner and any lienholders, if any.

After 15 days from date of mailing notice, the public agency shall publish a notice once a week for two consecutive weeks in a newspaper of general circulation in the county where such motor vehicle was abandoned and left, which notice shall describe the motor vehicle by name of maker, model, serial number, and owner, if known, and stating that it has been impounded by the public agency and that it will be sold at public auction to the highest bidder for cash if the owner thereof does not claim it within 10 days of the date of the second publication of the notice and pay the removal and storage charges, and publication costs incurred by the public agency. If the motor vehicle does not display a registration plate issued by the division of vehicles and is not registered with the division, the public agency after 30 days from the date of impoundment, may publish a notice in a newspaper of general circulation in the county where such motor vehicle was abandoned and left, which notice shall describe the motor vehicle by name of maker, model, color and serial number and shall state that it has been impounded by said public agency and will be sold at public auction to the highest bidder for cash, if the owner thereof does not claim it within 10 days of the date of the second publication of the notice and pay the removal and storage charges incurred by the public agency.

When any public agency has complied with the provisions of this section with respect to an abandoned motor vehicle and the owner thereof does not claim it within the time stated in the notice and pay the removal and storage charges and publication costs incurred by the public agency on such motor vehicle, the public agency may sell the motor vehicle at public auction to the highest bidder for cash.

(3) After any sale pursuant to this section, the purchaser may file proof thereof with the division of vehicles, and the division shall issue a certificate of title to the purchaser of such motor vehicle. All moneys derived from the sale of motor vehicles pursuant to this section, after payment of the expenses of the impoundment and sale, shall be paid into the fund of the public agency which is used by it for the construction or maintenance of highways.

(b) Any person who abandons and leaves a vehicle on real property, other than public property or property open to use by the public, which is not owned or leased by such person or by the owner or lessee of such vehicle shall be guilty of criminal trespass, as defined by K.S.A. 21-3721, and amendments thereto, and upon request of the owner or occupant of

such real property, the public agency in whose jurisdiction such property is situated may remove and dispose of such vehicle in the manner provided in subsection (a), except that the provisions of subsection (a) requiring that a motor vehicle be abandoned for a period of time in excess of 48 hours prior to its removal shall not be applicable to abandoned vehicles which are subject to the provisions of this subsection. Any person removing such vehicle from the real property at the request of such public agency shall have a possessory lien on such vehicle for the costs incurred in removing, towing and storing such vehicle.

(c) Whenever any motor vehicle has been left unattended for more than 48 hours or when any unattended motor vehicle interferes with public highway operations, any law enforcement officer is hereby authorized to move such vehicle or cause to have the vehicle moved as provided in K.S.A. 8-1103 *et seq.*, and amendments thereto.

(d) Any person attempting to recover a motor vehicle impounded as provided in this section or in accordance with a city ordinance or county resolution providing for the impoundment of motor vehicles, shall show proof of valid registration and ownership of the motor vehicle to the public agency before obtaining the motor vehicle. In addition, the public agency may require payment of all reasonable costs associated with the impoundment of the motor vehicle, including transportation and storage fees, prior to release of the motor vehicle.

Sec. 2. K.S.A. 8-1102 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the statute book.

Approved April 12, 2004.
