The authority shall have power to procure and enter into contracts for any type of insurance and indemnity against loss or damage to property from any cause, including loss of use and occupancy, against death or injury of any person, against employers' liability, against any act of any member, officer or employee of the board or of the authority in the performance of the duties of his or her office or employment or any other insurable risk.

Sec. 11. (a) The governing and administrative body of the authority shall be a board consisting of six members, to be known as the riverfront board. Members of the board shall be residents of Kansas. No member of the board shall be an elected official.

(b) Members shall not be paid a salary, but shall be reimbursed for actual expenses incurred by them in the performance of their duties.

(c) Members of the board shall be appointed as follows: Three shall be appointed by the mayor with the approval of the council and three shall be appointed by the commission. Of the first appointees, the council and mayor shall designate one member to serve a term of one year, one to serve two years and one to serve a three-year term. The commission shall designate the terms of its appointees likewise. Should the city and county consolidate, then the members shall be appointed by the governing body of the consolidated government as set forth above.

(d) Upon the expiration of the term of any member, all successor members of the board shall be appointed and hold office for terms of three years from the date of appointment. The city clerk or county clerk shall certify the action of the respective governing body with respect to such appointments and file such certificates as a part of the records of the office of either the city or county clerk. Before entering upon the duties of office, each member of the board shall take and subscribe the constitutional oath of office and same shall be filed in the office of the city clerk and county clerk.

(e) Any member may resign from office to take effect when a suc-

cessor has been appointed and has qualified. The mayor, with the approval of the council and the commission, may remove any member of the board in case of incompetency, neglect of duty or malfeasance in office. The member shall be given a copy of the charges and an opportunity to be publicly heard in person or by counsel upon not less than 10 days' notice. In case of failure to qualify within the time required, or of abandonment of office, or in case of death, conviction of a crime involving moral turpitude or removal from office, the office of a member shall become vacant. A vacancy shall be filled for the unexpired term by appointment in the same manner as the original appointment.

(f) As soon as possible after the appointment of the initial members, the board shall organize for the transaction of business, select a chairperson and a temporary secretary from its members and adopt bylaws, rules and regulations to govern its proceedings. The initial chairperson and successors shall be elected by the board from time to time for the term of the chairperson's office as a member of the board or for the term of three years, whichever is shorter.

(g) Regular meetings of the board shall be held at least once each calendar month, the time and place of such meetings to be fixed by the board. Four members of the board shall constitute a quorum for the transaction of business.

(h) All action of the board shall be by resolution and the affirmative vote of at least three members shall be necessary for the adoption of any resolution. All such resolutions before taking effect shall be approved by the chairperson of the board and, if the chairperson approves thereof, the chairperson shall sign the same. If the chairperson does not approve any such resolution, the chairperson shall return it to the board with the chairperson's written objections thereto at the next regular meeting of the board occurring after the passage thereof. If the chairperson fails to return any resolution with the objections thereto by the prescribed time, the chairperson shall be deemed to have approved the same and it shall take effect accordingly. Upon the return of any resolution by the chairperson with the chairperson's objections, the vote by which such resolution was passed shall be reconsidered by the board. If upon reconsideration the resolution is passed by the affirmative vote of at least five members, it shall go into effect notwithstanding the veto of the chairperson. The bond shall be payable to the authority in whatever penal sum may be directed by the board conditioned upon the faithful performance of the duties of the office and the payment of all money received by the treasurer according to law and the orders of the board. The board at any time may require a new bond from the treasurer in such penal sum as may then be determined by the board. The obligation of the sureties shall not extend to any loss sustained by the insolvency, failure or closing of any national or state bank wherein the treasurer has deposited funds if the bank has been approved by the board as a depository for these funds. The oaths of office and the treasurer's bond shall be filed in the principal office of the authority.

(b) All funds deposited by the treasurer in any bank shall be placed in the name of the authority and shall be withdrawn or paid out only by check or draft upon the bank, signed by the treasurer and countersigned by the chairperson of the board, except that the board may designate any of its members or any officer or employee of the authority to affix the facsimile signature of the chairperson and another to affix the facsimile signature of the treasurer to any check or draft.

(c) In case any officer whose signature appears upon any check, draft, bond, certificate or interest coupon, issued pursuant to this act, ceases to hold such officer's office before the delivery thereof to the payee or the purchaser of any bond or certificate, the officer's signature nevertheless shall be valid and sufficient for all purposes with the same effect as if the

officer had remained in office until delivery thereof.

Sec. 13. The board may appoint a general manager and such other persons who are necessary to make the authority succeed. The general manager shall hold office at the pleasure of the board. The general manager shall manage the properties and business of the authority and the employees thereof, subject to the general control of the board, shall direct the enforcement of all resolutions, rules and regulations of the board, and shall perform such other duties as may be prescribed by the board. No discrimination shall be made in any appointment or promotion because of race, creed, color, disability, religious or political affiliations.

Sec. 14. The board shall make all rules and regulations necessary to govern the operation of the riverfront and its property and facilities and to exercise the powers granted to the authority.

Sec. 15. (a) The board shall establish a fiscal operating year. At least 30 days prior to the beginning of the first full fiscal year after the creation of the authority, and annually thereafter, the board shall cause to be prepared a tentative budget which shall include all operation and maintenance expense for the ensuing fiscal year. The tentative budget shall be considered by the board and, subject to any revision and amendments as may be determined, shall be adopted prior to the first day of the ensuing fiscal year as the budget for that year. No expenditures for operations and maintenance in excess of the budget shall be made during any fiscal year except by the affirmative vote of at least four members of the board. It shall not be necessary to include in the annual budget any statement of necessary expenditures for pensions or retirement annuities, or for interest or principal payments on bonds or certificates, or for capital outlays, but it shall be the duty of the board to make provisions for payment of same from appropriate funds.

(b) As soon after the end of each fiscal year as may be expedient, the board shall cause to be prepared and printed a complete and detailed report and financial statement of its operation and of its assets and liabilities. A reasonably sufficient number of copies of such report shall be printed for distribution to persons interested and copies of such report shall be filed with the city and county clerks of the city and county.

Sec. 16. (a) The board shall withdraw from the gross receipts of the authority and charge to operating expenses such an amount of money as in the opinion of the board shall be sufficient to provide for the adjustment, defense and satisfaction of all suits, claims, demands, rights and causes of action and the payment and satisfaction of all judgments entered against the authority for damage caused by injury to or death of any person and for damage to property resulting from the construction, maintenance and operation of the riverfront and the board shall deposit such moneys in a fund to be known and designated as the damage reserve fund.

(b) The board shall use the moneys in the damage reserve fund to pay all expenses and costs arising from the adjustment, defense and satisfaction of all suits, claims, demands, rights and causes of action and the payment and satisfaction of all judgments entered against the authority for damages caused by injury to or death of any person and for damage to property resulting from the construction, maintenance and operation of the authority. At any time and from time to time the board may obtain and maintain insurance coverage or protection partially or wholly insuring or indemnifying the authority against loss or liability on account of injury to or death of any person and for damage to property resulting from the construction, maintenance and operations of the authority. The cost of obtaining and maintaining such insurance shall be paid out of the moneys in the damage reserve fund. All moneys received from such insurance coverage or protection shall be paid into the damage reserve fund.

Sec. 17. The authority pursuant to resolutions adopted from time to time by the board may establish and create such other and additional special funds as may be found desirable by the board and in and by such ordinances may provide for payments into all special funds from specified sources with such preferences and priorities as may be deemed advisable and may also by any such resolution provide for the custody, disbursement and application of any moneys in any such special funds consistent with the provisions of this act.

Sec. 18. The authority is a municipality as defined by the Kansas Tort Claims Act, K.S.A. 75-6101 et seq., and amendments thereto, and entitled

to avail itself of the protections therein. No civil action shall be commenced in any court against the authority by any person for any injury to such person unless it is commenced within two years after the date that the injury was received or the cause of action accrued.

Sec. 19. If any provision of this act is held invalid, such provision shall be deemed to be excised from this act and the invalidity thereof shall not affect any of the other provisions of this act. If the application of any provision of this act to any person or circumstance is held invalid, it shall not affect the application of such provisions to persons or circumstances other than those as to which it is invalid.

Sec. 20. This act shall take effect and be in force from and after its publication in the statute book.

Approved April 13, 2007.
