The notice shall be personally served upon the defendant. The warrant shall authorize all officers named in the warrant to return the defendant to the custody of the court or to any certified detention facility designated by the court. Any court services officer or community correctional services officer may arrest the defendant without a warrant or may deputize any other officer with power of arrest to do so by giving the officer a written or verbal statement setting forth that the defendant has, in the judgment of the court services officer or community correctional services officer, violated the conditions of the defendant's release or a nonprison sanction. A written statement delivered to the official in charge of a county jail or other place of detention shall be sufficient warrant for the detention of the defendant. After making an arrest, the court services officer or community correctional services officer shall present to the detaining authorities a similar statement of the circumstances of violation. Provisions regarding release on bail of persons charged with a crime shall be applicable to defendants arrested under these provisions.

(b) Upon arrest and detention pursuant to subsection (a), the court services officer or community correctional services officer shall immediately notify the court and shall submit in writing a report showing in what manner the defendant has violated the conditions of release or assignment or a nonprison sanction. Thereupon, or upon an arrest by warrant as provided in this section, the court shall cause the defendant to be brought before it without unnecessary delay for a hearing on the violation charged. The hearing shall be in open court and the state shall have the burden of establishing the violation. The defendant shall have the right to be represented by counsel and shall be informed by the judge that, if the defendant is financially unable to obtain counsel, an attorney will be appointed to represent the defendant. The defendant shall have the right to present the testimony of witnesses and other evidence on the defendant's behalf. Relevant written statements made under oath may be admitted and considered by the court along with other evidence presented at the hearing. Except as otherwise provided, if the violation is established, the court may continue or revoke the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and may require the defendant to serve the sentence imposed, or any lesser sentence, and, if imposition of sentence was suspended, may impose any sentence which might originally have been imposed. Except as otherwise provided, no offender for whom a violation of conditions of release or assignment or a nonprison sanction has been established as provided in this section shall be required to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections for such violation, unless such person has already at least one prior assignment to a community correctional services program related to the crime for which the original sentence was imposed, except these provisions shall not apply

to offenders who violate a condition of release or assignment or a nonprison sanction by committing a new misdemeanor or felony offense. The provisions of this subsection shall not apply to adult felony offenders as described in subsection (a)(3) of K.S.A. 75-5291, and amendments thereto. The court may require an offender for whom a violation of conditions of release or assignment or a nonprison sanction has been established as provided in this section to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections without a prior assignment to a community correctional services program if the court finds and sets forth with particularity the reasons for finding that the safety of the members of the public will be jeopardized or that the welfare of the inmate will not be served by such assignment to a community correctional services program. When a new felony is committed while the offender is on probation or assignment to a community correctional services program, the new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608 and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(c) A defendant who is on probation, assigned to a community correctional services program, under suspension of sentence or serving a nonprison sanction and for whose return a warrant has been issued by the court shall be considered a fugitive from justice if it is found that the warrant cannot be served. If it appears that the defendant has violated the provisions of the defendant's release or assignment or a nonprison sanction, the court shall determine whether the time from the issuing of the warrant to the date of the defendant's arrest, or any part of it, shall be counted as time served on probation, assignment to a community correctional services program, suspended sentence or pursuant to a nonprison sanction.

(d) The court shall have 30 days following the date probation, assignment to a community correctional service program, suspension of sentence or a nonprison sanction was to end to issue a warrant for the arrest or notice to appear for the defendant to answer a charge of a violation of the conditions of probation, assignment to a community correctional service program, suspension of sentence or a nonprison sanction.

(e) Notwithstanding the provisions of any other law to the contrary, an offender whose nonprison sanction is revoked and a term of imprisonment imposed pursuant to either the sentencing guidelines grid for nondrug or drug crimes shall not serve a period of postrelease supervision upon the completion of the prison portion of that sentence. The provisions of this subsection shall not apply to offenders sentenced to a nonprison sanction pursuant to a dispositional departure, whose offense falls within a border box of either the sentencing guidelines grid for nondrug or drug crimes, offenders sentenced for a "sexually violent crime" or a "sexually motivated crime" as defined by K.S.A. 22-3717, and amendments thereto, or offenders sentenced pursuant to K.S.A. 21-4704, and amendments thereto, wherein the sentence is presumptive imprisonment but a nonprison sanction may be imposed without a departure or offenders whose nonprison sanction was revoked as a result of a conviction for a new misdemeanor or felony offense. The provisions of this subsection shall not apply to offenders who are serving or are to begin serving a sentence for any other felony offense that is not excluded from postrelease supervision by this subsection on the effective date of this subsection. The provisions of this subsection shall be applied retroactively. The department of corrections shall conduct a review of all persons who are in the custody of the department as a result of only a revocation of a nonprison sanction. On or before September 1, 2000, the department shall have discharged from postrelease supervision those offenders as required by this subsection.

(f) Offenders who have been sentenced pursuant to K.S.A. 21-4729, and amendments thereto, and who subsequently violate a condition of the drug and alcohol abuse treatment program shall be subject to an additional nonprison sanction for any such subsequent violation. Such nonprison sanctions shall include, but not be limited to, up to 60 days in a county jail, fines, community service, intensified treatment, house arrest and electronic monitoring.

Sec. 12. On and after July 1, 2009, K.S.A. 2008 Supp. 25-4156 is hereby amended to read as follows: 25-4156. The provisions of this subsection ~~(D)~~ requiring the disclosure of the name of an individual shall not apply to individuals making expenditures in an aggregate amount of less than \$2,500 within a calendar year.

(2) Corrupt political advertising of a state or local office is a class C misdemeanor.

(c) If any provision of this section or application thereof to any person or circumstance is held invalid, such invalidity does not affect other provisions or applications of this section which can be given effect without the invalid application or provision, and to this end the provisions of this section are declared to be severable.

(7) The commissioner of juvenile justice or any agents designated by the commissioner.

(8) Any other person when authorized by a court order, subject to any conditions imposed by the order.

No such records in the custody of the Kansas state historical society shall be disclosed directly or indirectly to anyone for 70 years after creation of the records, except as provided in subsections (a) and (b). Pursuant to subsections (a)(8) and (b)(8), a judge of the district court may allow inspection for research purposes of any court records in the custody of the Kansas state historical society related to proceedings under the Kansas code for care of children.

Sec. 16. On and after July 1, 2009, K.S.A. 2008 Supp. 38-2255, as amended by section 6 of 2009 Senate Bill No. 134, is hereby amended to read as follows: 38-2255. (a) *Considerations.* Prior to entering an order of disposition, the court shall give consideration to:

- (1) The child's physical, mental and emotional condition;
- (2) the child's need for assistance;
- (3) the manner in which the parent participated in the abuse, neglect or abandonment of the child;
- (4) any relevant information from the intake and assessment process;

and

- (5) the evidence received at the dispositional hearing.

(b) *Placement with a parent.* The court may place the child in the custody of either of the child's parents subject to terms and conditions which the court prescribes to assure the proper care and protection of the child, including, but not limited to:

- (1) Supervision of the child and the parent by a court services officer;
- (2) participation by the child and the parent in available programs operated by an appropriate individual or agency; and
- (3) any special treatment or care which the child needs for the child's physical, mental or emotional health and safety.

(c) *Removal of a child from custody of a parent.* The court shall not enter an order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (1)(A) The child is likely to sustain harm if not immediately removed from the home;

(B) allowing the child to remain in home is contrary to the welfare of the child; or

(C) immediate placement of the child is in the best interest of the child; and

(2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(d) *Custody of a child removed from the custody of a parent.* If the court has made the findings required by subsection (c), the court shall enter an order awarding custody to a relative of the child or to a person with whom the child has close emotional ties, to any other suitable person, to a shelter facility, to a youth residential facility or, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse, to the secretary. Custody awarded under this subsection shall continue until further order of the court.

(1) When custody is awarded to the secretary, the secretary shall consider any placement recommendation by the court and notify the court of the placement or proposed placement of the child within 10 days of the order awarding custody.

(A) After providing the parties or interested parties notice and opportunity to be heard, the court may determine whether the secretary's placement or proposed placement is contrary to the welfare or in the best interests of the child. In making that determination the court shall consider the health and safety needs of the child and the resources available to meet the needs of children in the custody of the secretary. If the court determines that the placement or proposed placement is contrary to the welfare or not in the best interests of the child, the court shall notify the secretary, who shall then make an alternative placement.

(B) The secretary may propose and the court may order the child to be placed in the custody of a parent or parents if the secretary has provided and the court has approved an appropriate safety action plan which includes services to be provided. The court may order the parent or parents and the child to perform tasks as set out in the safety action plan.

(2) The custodian designated under this subsection shall notify the court in writing at least 10 days prior to any planned placement with a parent. The written notice shall state the basis for the custodian's belief that placement with a parent is no longer contrary to the welfare or best interest of the child. Upon reviewing the notice, the court may allow the custodian to proceed with the planned placement or may set the date for a hearing to determine if the child shall be allowed to return home. If the court sets a hearing on the matter, the custodian shall not return the child home without written consent of the court.

(3) The court may grant any person reasonable rights to visit the child upon motion of the person and a finding that the visitation rights would be in the best interests of the child.

(4) The court may enter an order restraining any alleged perpetrator of physical, mental or emotional abuse or sexual abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2008 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(5) The court shall provide a copy of any orders entered within 10 days of entering the order to the custodian designated under this subsection.

(e) *Further determinations regarding a child removed from the home.* If custody has been awarded under subsection (d) to a person other than a parent, a permanency plan shall be provided or prepared pursuant to K.S.A. 2008 Supp. 38-2264, and amendments thereto. If a permanency plan is provided at the dispositional hearing, the court may determine whether reintegration is a viable alternative or, if reintegration is not a viable alternative, whether the child should be placed for adoption or a permanent custodian appointed. In determining whether reintegration is a viable alternative, the court shall consider:

(1) Whether a parent has been found by a court to have committed one of the following crimes or to have violated the law of another state prohibiting such crimes or to have aided and abetted, attempted, conspired or solicited the commission of one of these crimes: Murder in the first degree, K.S.A. 21-3401, and amendments thereto, murder in the second degree, K.S.A. 21-3402, and amendments thereto, capital murder, K.S.A. 21-3439, and amendments thereto, voluntary manslaughter, K.S.A. 21-3403, and amendments thereto, or a felony battery that resulted in bodily injury;

(2) whether a parent has subjected the child or another child to aggravated circumstances;

(3) whether a parent has previously been found to be an unfit parent in proceedings under this code or in comparable proceedings under the laws of another state or the federal government;

(4) whether the child has been in extended out of home placement;

(5) whether the parents have failed to work diligently toward reintegration;

(6) whether the secretary has provided the family with services necessary for the safe return of the child to the home; and

(7) whether it is reasonable to expect reintegration to occur within a time frame consistent with the child's developmental needs.

(f) *Proceedings if reintegration is not a viable alternative.* If the court determines that reintegration is not a viable alternative, proceedings to terminate parental rights and permit placement of the child for adoption or appointment of a permanent custodian shall be initiated unless the court finds that compelling reasons have been documented in the case plan why adoption or appointment of a permanent custodian would not be in the best interests of the child. If compelling reasons have not been documented, the county or district attorney shall file a motion within 30 days to terminate parental rights or a motion to appoint a permanent custodian within 30 days and the court shall hold a hearing on the motion within 90 days of its filing. No hearing is required when the parents voluntarily relinquish parental rights or consent to the appointment of a permanent custodian.

(g) *Additional Orders.* In addition to or in lieu of any other order authorized by this section:

(1) The court may order the child and the parents of any child who

has been adjudicated a child in need of care to attend counseling sessions as the court directs. The expense of the counseling may be assessed as an expense in the case. No mental health provider shall charge a greater fee for court-ordered counseling than the provider would have charged to the person receiving counseling if the person had requested counseling on the person's own initiative.

(2) If the court has reason to believe that a child is before the court due, in whole or in part, to the use or misuse of alcohol or a violation of ~~the uniform controlled substances act sections 1 through 17 of 2009 House Bill No. 2236, and amendments thereto~~, by the child, a parent of the child, or another person responsible for the care of the child, the court may order the child, parent of the child or other person responsible for the care of the child to submit to and complete an alcohol and drug evaluation by a qualified person or agency and comply with any recommendations. If the evaluation is performed by a community-based alcohol and drug safety program certified pursuant to K.S.A. 8-1008, and amendments thereto, the child, parent of the child or other person responsible for the care of the child shall pay a fee not to exceed the fee established by that statute. If the court finds that the child and those legally liable for the child's support are indigent, the fee may be waived. In no event shall the fee be assessed against the secretary.

(3) If child support has been requested and the parent or parents have a duty to support the child, the court may order one or both parents to pay child support and, when custody is awarded to the secretary, the court shall order one or both parents to pay child support. The court shall determine, for each parent separately, whether the parent is already subject to an order to pay support for the child. If the parent is not presently ordered to pay support for any child who is subject to the jurisdiction of the court and the court has personal jurisdiction over the parent, the court shall order the parent to pay child support in an amount determined under K.S.A. 2008 Supp. 38-2277, and amendments thereto. Except for good cause shown, the court shall issue an immediate income withholding order pursuant to K.S.A. 23-4,105 et seq., and amendments thereto, for each parent ordered to pay support under this subsection, regardless of whether a payor has been identified for the parent. A parent ordered to pay child support under this subsection shall be notified, at the hearing or otherwise, that the child support order may be registered pursuant to K.S.A. 2008 Supp. 38-2279, and amendments thereto. The parent shall also be informed that, after registration, the income withholding order may be served on the parent's employer without further notice to the parent and the child support order may be enforced by any method allowed by law. Failure to provide this notice shall not affect the validity of the child support order.

Sec. 17. On and after July 1, 2009, K.S.A. 2008 Supp. 45-221, as amended by section 27 of 2009 House Bill No. 2052, is hereby amended to read as follows: 45-221. (a) Except to the extent disclosure is otherwise required by law, a public agency shall not be required to disclose:

(1) Records the disclosure of which is specifically prohibited or restricted by federal law, state statute or rule of the Kansas supreme court or rule of the senate committee on confirmation oversight relating to information submitted to the committee pursuant to K.S.A. 2008 Supp. 75-4315d, and amendments thereto, or the disclosure of which is prohibited or restricted pursuant to specific authorization of federal law, state statute or rule of the Kansas supreme court or rule of the senate committee on confirmation oversight relating to information submitted to the committee pursuant to K.S.A. 2008 Supp. 75-4315d, and amendments thereto, to restrict or prohibit disclosure.

(2) Records which are privileged under the rules of evidence, unless the holder of the privilege consents to the disclosure.

(3) Medical, psychiatric, psychological or alcoholism or drug dependency treatment records which pertain to identifiable patients.

(4) Personnel records, performance ratings or individually identifiable records pertaining to employees or applicants for employment, except that this exemption shall not apply to the names, positions, salaries or actual compensation employment contracts or employment-related contracts or agreements and lengths of service of officers and employees of public agencies once they are employed as such.

(5) Information which would reveal the identity of any undercover agent or any informant reporting a specific violation of law.

(6) Letters of reference or recommendation pertaining to the character or qualifications of an identifiable individual, except documents relating to the appointment of persons to fill a vacancy in an elected office.

(7) Library, archive and museum materials contributed by private persons, to the extent of any limitations imposed as conditions of the contribution.

(8) Information which would reveal the identity of an individual who lawfully makes a donation to a public agency, if anonymity of the donor is a condition of the donation, except if the donation is intended for or restricted to providing remuneration or personal tangible benefit to a named public officer or employee.

(9) Testing and examination materials, before the test or examination is given or if it is to be given again, or records of individual test or examination scores, other than records which show only passage or failure and not specific scores.

(10) Criminal investigation records, except as provided herein. The district court, in an action brought pursuant to K.S.A. 45-222, and amendments thereto, may order disclosure of such records, subject to such conditions as the court may impose, if the court finds that disclosure:

(A) Is in the public interest;

(B) would not interfere with any prospective law enforcement action, criminal investigation or prosecution;

(C) would not reveal the identity of any confidential source or undercover agent;

(D) would not reveal confidential investigative techniques or procedures not known to the general public;

Sec. 26. On and after July 1, 2009, K.S.A. 2008 Supp. 66-2005 is hereby amended to read as follows: 66-2005. (a) Each local exchange carrier shall file a network infrastructure plan with the commission on or after January 1, 1997, and prior to January 1, 1998. Each plan, as a part of universal service protection, shall include schedules, which shall be approved by the commission, for deployment of universal service capabilities by July 1, 1998, and the deployment of enhanced universal service capabilities by July 1, 2003, as defined pursuant to subsections (p) and (q) of K.S.A. 66-1,187, and amendments thereto, respectively. With respect to enhanced universal service, such schedules shall provide for deployment of ISDN, or its technological equivalent, or broadband facilities, only upon a firm customer order for such service, or for deployment of other enhanced universal services by a local exchange carrier. After receipt of such an order and upon completion of a deployment plan designed to meet the firm order or otherwise provide for the deployment of enhanced universal service, a local exchange carrier shall notify the commission. The commission shall approve the plan unless the commission determines that the proposed deployment plan is unnecessary, inappropriate, or not cost effective, or would create an unreasonable or excessive demand on the KUSF. The commission shall take action within 90 days. If the commission fails to take action within 90 days, the deployment plan shall be deemed approved. This approval process shall continue until July 1, 2000. Each plan shall demonstrate the capability of the local exchange carrier to comply on an ongoing basis with quality of service standards to be adopted by the commission no later than January 1, 1997.

(b) In order to protect universal service, facilitate the transition to

competitive markets and stimulate the construction of an advanced telecommunications infrastructure, each local exchange carrier shall file a regulatory reform plan at the same time as it files the network infrastructure plan required in subsection (a). As part of its regulatory reform plan, a local exchange carrier may elect traditional rate of return regulation or price cap regulation. Carriers that elect price cap regulation shall be exempt from rate base, rate of return and earnings regulation and shall not be subject to the provisions of K.S.A. 66-136 and 66-127, and amendments thereto except as otherwise provided in such sections. However, the commission may resume such regulation upon finding, after a hearing, that a carrier that is subject to price cap regulation has: violated minimum quality of service standards pursuant to subsection (l) of K.S.A. 66-2002, and amendments thereto; been given reasonable notice and an opportunity to correct the violation; and failed to do so. Regulatory reform plans also shall include:

(1) A commitment to provide existing and newly ordered point-to-point broadband services to: Any hospital as defined in K.S.A. 65-425, and amendments thereto; any school accredited pursuant to K.S.A. 72-1101 et seq., and amendments thereto; any public library; or other state and local government facilities at discounted prices close to, but not below, long-run incremental cost; and

(2) a commitment to provide basic rate ISDN service, or the technological equivalent, at prices which are uniform throughout the carrier's service area. Local exchange carriers shall not be required to allow retail customers purchasing the foregoing discounted services to resell those services to other categories of customers. Telecommunications carriers may purchase basic rate ISDN services, or the technological equivalent, for resale in accordance with K.S.A. 66-2003, and amendments thereto. The commission may reduce prices charged for services outlined in provisions (1) and (2) of this subsection, if the commitments of the local exchange carrier set forth in those provisions are not being kept.

(c) Subject to the commission's approval, all local exchange carriers shall reduce intrastate access charges to interstate levels as provided herein. Rates for intrastate switched access, and the imputed access portion of toll, shall be reduced over a three-year period with the objective of equalizing interstate and intrastate rates in a revenue neutral, specific and predictable manner. The commission is authorized to rebalance local residential and business service rates to offset the intrastate access and toll charge reductions. Any remaining portion of the reduction in access and toll charges not recovered through local residential and business service rates shall be paid out from the KUSF pursuant to K.S.A. 66-2008, and amendments thereto. Each rural telephone company shall adjust its intrastate switched access rates on March 1 of each odd-numbered year to match its interstate switched access rates, subject to the following:

(1) Any reduction of a rural telephone company's cost recovery due to reduction of its interstate access revenue shall be recovered from the KUSF;

(2) any portion of rural telephone company reductions in intrastate switched access rates which would result in an increase in KUSF recovery in a single year which exceeds .75% of intrastate retail revenues used in determining sums which may be recovered from Kansas telecommunications customers pursuant to subsection (a) of K.S.A. 66-2008, and amendments thereto, shall be deferred until March 1 of the next following odd-numbered year; and

(3) no rural company shall be required at any time to reduce its intrastate switched access rates below the level of its interstate switched access rates.

(d) Beginning March 1, 1997, each rural telephone company shall have the authority to increase annually its monthly basic local residential and business service rates by an amount not to exceed \$1 in each 12-month period until such monthly rates reach an amount equal to the statewide rural telephone company average rates for such services. The statewide rural telephone company average rates shall be the arithmetic mean of the lowest flat rate as of March 1, 1996, for local residential service and for local business service offered by each rural telephone company within the state. In the case of a rural telephone company which increases its local residential service rate or its local business service rate, or both, to reach the statewide rural telephone company average rate for such services, the amount paid to the company from the KUSF shall be

reduced by an amount equal to the additional revenue received by such company through such rate increase. In the case of a rural telephone company which elects to maintain a local residential service rate or a local business service rate, or both, below the statewide rural telephone company average, the amount paid to the company from the KUSF shall be reduced by an amount equal to the difference between the revenue the company could receive if it elected to increase such rate to the average rate and the revenue received by the company.

(e) For purposes of determining sufficient KUSF support, an affordable rate for local exchange service provided by a rural telephone company subject to traditional rate of return regulation shall be determined as follows:

(1) For residential service, an affordable rate shall be the arithmetic mean of residential local service rates charged in this state in all exchanges served by rural telephone companies and in all exchanges in rate groups 1 through 3 as of February 20, 2002, of all other local exchange carriers, weighted by the number of residential access lines to which each such rate applies, and thereafter rounded to the nearest quarter-dollar, subject to the following provisions:

(A) If a rural telephone company's present residential rate, including any separate charge for tone dialing, is at or above such weighted mean, such rate shall be deemed affordable prior to March 1, 2007.

(B) If a rural telephone company's present residential rate, including any separate charge for tone dialing, is below such average: (i) Such rate shall be deemed affordable prior to March 1, 2003; (ii) as of March 1, 2003, and prior to March 1, 2004, a rate \$2 higher than the company's present residential monthly rate, but not exceeding such weighted mean, shall be deemed affordable; (iii) as of March 1, 2004, and prior to March 1, 2005, a rate \$4 higher than the company's present residential monthly rate, but not exceeding such weighted mean, shall be deemed affordable; and (iv) as of March 1, 2005, and prior to March 1, 2006, a rate \$6 higher than the company's present residential monthly rate, but not exceeding such weighted mean, shall be deemed affordable.

(C) As of March 1, 2007, and each two years thereafter, an affordable residential service rate shall be the weighted arithmetic mean of local service rates determined as of October 1 of the preceding year in the manner hereinbefore specified, except that any increase in such mean exceeding \$2 may be satisfied by increases in a rural telephone company's residential monthly service rate not exceeding \$2 per year, effective March 1 of the year when such mean is determined, with the remainder applied at the rate of \$2 per year, but not to exceed the affordable rate.

(2) For single line business service at any time, an affordable rate shall be the existing rate or an amount \$3 greater than the affordable rate for residential service as determined under provision (1) of this subsection, whichever is higher, except that any increase in the business service affordable rate exceeding \$2 may be satisfied by increases in a rural telephone company's business monthly service rate not exceeding \$2 per year, effective March 1 of the year when such rate is determined, with the remainder applied at the rate of \$2 per year, but not to exceed the affordable rate.

(3) Any flat fee or charge imposed per line on all residential service or single line business service, or both, other than a fee or charge for contribution to the KUSF or imposed by other governmental authority, shall be added to the basic service rate for purposes of determining an affordable rate pursuant to this subsection.

(4) Not later than March 1, 2003, tone dialing shall be made available to all local service customers of each rural telephone company at no charge additional to any increase in the local service rate to become effective on that date. The amount of revenue received as of March 1, 2002, by a rural telephone company from the provision of tone dialing service shall be excluded from reductions in the company's KUSF support otherwise resulting pursuant to this subsection.

(5) A rural telephone company which raises one or more local service rates on application made after February 20, 2002, and pursuant to subsection (b) of K.S.A. 66-2007, and amendments thereto, shall have the level of its affordable rate increased by an amount equal to the amount of the increase in such rate.

(6) Upon motion by a rural telephone company, the commission may determine a higher affordable local residential or business rate for such

company if such higher rate allows the company to provide additional or improved service to customers, but any increase in a rural telephone company's local rate attributable to the provision of increased calling scope shall not be included in any subsequent recalculation of affordable rates as otherwise provided in this subsection.

(7) A uniform rate for residential and single line business local service adopted by a rural telephone company shall be deemed an affordable rate for purposes of this subsection if application of such uniform rate generates revenue equal to that which would be generated by application of residential and business rates which are otherwise deemed affordable rates for such company under this subsection.

(8) The provisions of this subsection relating to the implementation of an affordable rate shall not apply to rural telephone companies which do not receive KUSF support. When recalculating affordable rates as provided in this subsection, the rates used shall include the actual rates charged by rural companies that do not receive KUSF support.

(f) For regulatory reform plans in which price cap regulation has been elected, price cap plans shall have three baskets: Residential and single-line business, including touch-tone; switched access services; and miscellaneous services. The commission shall establish price caps at the prices existing when the regulatory plan is filed subject to rate rebalancing as provided in subsection (c) for residential services, including touch-tone services, and for single-line business services, including touch-tone services, within the residential and single-line business service basket. The commission shall establish a formula for adjustments to the price caps. The commission also shall establish price caps at the prices existing when the regulatory plan is filed for the miscellaneous services basket. The commission shall approve any adjustments to the price caps for the miscellaneous service basket, as provided in subsection (g).

(g) On or before January 1, 1997, the commission shall issue a final order in a proceeding to determine the price cap adjustment formula that shall apply to the price caps for the local residential and single-line business and the miscellaneous services baskets and for sub-categories, if any, within those baskets. In determining this formula, the commission shall balance the public policy goals of encouraging efficiency and promoting investment in a quality, advanced telecommunications network in the state. The commission also shall establish any informational filing requirements necessary for the review of any price cap tariff filings, including price increases or decreases within the caps, to verify such caps would not be exceeded by any proposed price change. The adjustment formula shall apply to the price caps for the local residential and single-line business basket after December 31, 1999, and to the miscellaneous services basket after December 31, 1997. The price cap formula, but not actual prices, shall be reviewed every five years.

(h) The price caps for the residential and single-line business service basket shall be capped at their initial level until January 1, 2000, except for any increases authorized as a part of the revenue neutral rate rebalancing under subsection (c). The price caps for this basket and for the categories in this basket, if any, shall be adjusted annually after December 31, 1999, based on the formula determined by the commission under subsection (g).

(i) The price cap for the switched access service basket shall be set based upon the local exchange carrier's intrastate access tariffs as of January 1, 1997, except for any revenue neutral rate rebalancing authorized in accordance with subsection (c). Thereafter, the cap for this basket shall not change except in connection with any subsequent revenue neutral rebalancing authorized by the commission under subsection (c).

(j) The price caps for the miscellaneous services basket shall be adjusted annually after December 31, 1997, based on the adjustment formula determined by the commission under subsection (g).

(k) A price cap is a maximum price for all services taken as a whole in a given basket. Prices for individual services may be changed within the service categories, if any, established by the commission within a basket. An entire service category, if any, within the residential and single-line business basket or miscellaneous services basket may be priced below the cap for such category. Unless otherwise approved by the commission, no service shall be priced below the price floor which will be long-run incremental cost and imputed access charges. Access charges equal to those paid by telecommunications carriers to local exchange carriers shall

be imputed as part of the price floor for toll services offered by local exchange carriers on a toll service basis.

(l) A local exchange carrier may offer promotions within an exchange or group of exchanges. All promotions shall be approved by the commission and may not be unjust, unreasonably discriminatory or unduly preferential.

(m) Unless the commission authorizes price deregulation at an earlier date, intrastate toll services within the miscellaneous services basket shall continue to be regulated until the affected local exchange carrier begins to offer 1+ intraLATA dialing parity throughout its service territory, at which time intrastate toll will be price deregulated, except that prices cannot be set below the price floor.

(n) On or before July 1, 1997, the commission shall establish guidelines for reducing regulation prior to price deregulation of price cap regulated services in the miscellaneous services basket, the switched access services basket, and the residential and single-line business basket.

(o) Subsequent to the adoption of guidelines pursuant to subsection (n), the commission shall initiate a petitioning procedure under which the local exchange carrier may request rate range pricing. The commission shall act upon a petition within 21 days, subject to a 30-day extension. The prices within a rate range shall be tariffed and shall apply to all customers in a nondiscriminatory manner in an exchange or group of exchanges.

(p) A local exchange carrier may petition the commission to designate an individual service or service category, if any, within the miscellaneous services basket, the switched access services basket or the residential and single-line business basket for reduced regulation. The commission shall act upon a petition for reduced regulation within 21 days, subject to an extension period of an additional 30 days, and upon a good cause showing of the commission in the extension order, or within such shorter time as the commission shall approve. The commission shall issue a final order within the 21-day period or within a 51-day period if an extension has been issued. Following an order granting reduced regulation of an individual service or service category, the commission shall act on any request for price reductions within seven days subject to a 30-day extension. The commission shall act on other requests for price cap adjustments, adjustments within price cap plans and on new service offerings within 21 days subject to a 30-day extension. Such a change will be presumed lawful unless it is determined the prices are below the price floor or that the price cap for a category, if any, within the entire basket has been exceeded.

(q) (1) Beginning July 1, 2006, price regulation of telecommunications services in the residential and single-line business service basket and the miscellaneous services basket for local exchange carriers subject to price cap regulation shall be as follows:

(A) Packages or bundles of services shall be price deregulated statewide, however the individual telecommunication service components of such packages or bundles shall remain available for purchase on an individual basis at prices subject to price cap regulation in any exchange in which the standards in subsection (q)(1)(B), (C) or (D) have not been met. If standards in subsection (q)(1)(B), (C) or (D) have been met, the individual telecommunication service components of such packages or bundles shall remain available for purchase on an individual basis and prices for packages or bundles shall not exceed the sum of the highest prices of the ala carte components of the package or bundle;

(B) in any exchange in which there are 75,000 or more local exchange access lines served by all providers, rates for all telecommunications services shall be price deregulated;

(C) in any exchange in which there are fewer than 75,000 local exchange access lines served by all providers, the commission shall price deregulate all business telecommunication services upon a demonstration by the requesting local telecommunications carrier that there are two or more nonaffiliated telecommunications carriers or other entities, that are nonaffiliated with the local exchange carrier, providing local telecommunications service to business customers, regardless of whether the entity provides local service in conjunction with other services in that exchange area. One of such nonaffiliated carriers or entities shall be required to be a facilities-based carrier or entity and not more than one of such nonaffiliated carriers or entities shall be a provider of commercial

mobile radio services in that exchange;

(D) in any exchange in which there are fewer than 75,000 local exchange access lines served by all providers, the commission shall price deregulate all residential telecommunication services upon a demonstration by the requesting local telecommunications carrier that there are two or more nonaffiliated telecommunications carriers or other entities, that are nonaffiliated with the local exchange carrier, providing local telecommunications service to residential customers, regardless of whether the entity provides local service in conjunction with other services in that exchange area. One of such nonaffiliated carriers or entities shall be required to be a facilities-based carrier or entity and not more than one of such nonaffiliated carriers or entities shall be a provider of commercial mobile radio services in that exchange;

(E) rates for lifeline services shall remain subject to price cap regulation;

(F) *up to and continuing until July 1, 2008*, rates for the initial residential local exchange access line and up to four business local exchange access lines at one location shall remain subject to price cap regulation. *On and after July 1, 2008, the local exchange carrier shall be authorized to adjust such rates without commission approval by not more than the percentage increase in the consumer price index for all urban consumers, as officially reported by the bureau of labor statistics of the United States department of labor, or its successor index, in any one year period and such rates shall not be adjusted below the price floor established in subsection (k).* Such rates shall not be affected by purchase of one or more of the following: Call management services, intraLATA long distance service or interLATA long distance service; and

(G) local exchange carriers shall offer a uniform price throughout each such exchange for services subject to price deregulation, under this subsection, including packages or bundles of services, except as provided in subsection (1) or as otherwise approved by the commission.

(2) For the purposes of this subsection:

(A) Any entity providing voice service shall be considered as a local telecommunications service provider regardless of whether such entity is subject to regulation by the commission;

(B) a provider of local telecommunications service that requires the use of a third party, unaffiliated broadband network or dial-up internet network for the origination of local voice service shall not be considered a local telecommunications service provider;

(C) telecommunications carriers offering only prepaid telecommunications service shall not be considered entities providing local telecommunications service.

(3) If the services of a local exchange carrier are classified as price deregulated under this subsection, the carrier may thereafter adjust its rates for such price deregulated services upward or downward as it determines appropriate in its competitive environment, with tariffs for such services deemed effective upon filing with the commission. Price deregulated services shall be subject to the price floor in subsection (k), and shall not be unreasonably discriminatory or unduly preferential within an exchange.

(4) The commission shall act upon a petition filed pursuant to subsection (q)(1)(C) or (D) within 21 days, subject to an extension period of an additional 30 days, and upon a good cause showing of the commission in the extension order, or within such shorter time as the commission shall approve. The commission shall issue a final order within the 21-day period or within a 51-day period if an extension order has been issued.

(5) The commission may resume price cap regulation of a local exchange carrier, deregulated under this subsection upon finding, after a hearing, that such carrier has: Violated minimum quality of service standards pursuant to subsection (1) of K.S.A. 66-2002, and amendments thereto; been given reasonable notice and an opportunity to correct the violation; and failed to do so.

(6) The commission on July 1, 2006, and on each date that any service is deregulated, shall record the rates of each service which has been price deregulated in each exchange.

(7) Prior to January 1, 2007, the commission shall determine the weighted, statewide average rate of nonwireless basic local telecommunications service as of July 1, 2006. Prior to January 1, 2007, and annually thereafter, the commission shall determine the weighted, average rate of

nonwireless basic local telecommunications services in exchanges that have been price deregulated pursuant to subsection (q)(1)(B), (C) or (D). The commission shall report its findings on or before February 1, 2007, and annually thereafter to the governor, the legislature and each member of the standing committees of the house of representatives and the senate which are assigned telecommunications issues. The commission shall also provide in such annual report any additional information it deems useful in determining the impact of price deregulation on consumers and the competitive environment, including, but not limited to, the rates recorded under paragraph (6) of this subsection, the current rates for services in price deregulated exchanges, changes in service offerings available in price deregulated exchanges and the change in the number of competitors in price deregulated exchanges. If the commission finds that the weighted, average rate of nonwireless basic local telecommunications service, in exchanges that have been price deregulated pursuant to subsection (q)(1)(B), (C) or (D) in any one year period is greater than the weighted, statewide average rate of nonwireless basic local telecommunications service as of July 1, ~~2006~~ 2008, multiplied by one plus the percentage increase in the consumer price index for goods and services for the study periods, or the commission believes that changes in state law are warranted due to the status of competition, the commission shall recommend to the governor, the legislature and each member of the standing committees of the house of representatives and the senate which are assigned telecommunications issues such changes in state law as the commission deems appropriate *and the commission shall also send a report of such findings to each member of the legislature.*

(8) For the purposes of this subsection:

Packages or bundles of services shall not include only a single residential local exchange access line or up to four business local exchange access lines at one location and intraLATA long distance service or interLATA long distance service, or both;

(B) "local telecommunications service" means two-way voice service capable of being originated and terminated within the exchange of the local exchange telecommunications company seeking price deregulation of its services, regardless of the technology used to provision the voice service;

(C) "broadband network" means a connection that delivers services at speeds exceeding two hundred kilobits per second in both directions;

(D) "prepaid telecommunications service" means a local service for which payment is made in advance that excludes access to operator assistance and long distance service;

(E) "facilities based carrier" means a telecommunications carrier or entity providing local telecommunications service either wholly or partially over its own network. Facilities based carrier shall not include any radio communication services provider licensed by the federal communications commission to provide commercial mobile radio services; and

(F) "call management services" means optional telecommunications services that allow a customer to manage call flow generated over the customer's local exchange access line.

(r) (1) Upon complaint or request, the commission may investigate a price deregulated service.

(2) The commission shall resume price cap regulation of a service provided in any exchange area by placing it in the appropriate service basket, as approved by the commission, upon a determination by the commission that the conditions in subsection (q)(1)(C) or (D) are no longer satisfied in that exchange area.

(3) The commission shall resume price cap regulation of business services in any exchange meeting the conditions of subsection (q)(1)(B) by placing it in the appropriate service basket, as approved by the commission, upon a determination by the commission that the following condition is not met: There are at least two nonaffiliated telecommunications carriers or other entities, that are nonaffiliated with the local exchange carrier, providing local telecommunications service to business customers, regardless of whether the entity provides local service in conjunction with

other services in that exchange area. One of such nonaffiliated carriers or entities shall be required to be a facilities-based carrier or entity and not more than one such nonaffiliated carriers or entities shall be a provider of commercial mobile radio services in that exchange.
