Sec. 3. K.S.A. 2009 Supp. 72-978 is hereby amended to read as follows: 72-978. (a) Each year, the state board of education shall determine the amount of state aid for the provision of special education and related services each school district shall receive for the ensuing school year. The amount of such state aid shall be computed by the state board as provided in this section. The state board shall:

(1) Determine the total amount of general fund and local option budgets of all school districts;

(2) subtract from the amount determined in paragraph (1) the total amount attributable to assignment of transportation weighting, program weighting, special education weighting and at-risk pupil weighting to enrollment of all school districts;

(3) divide the remainder obtained in paragraph (2) by the total number of full-time equivalent pupils enrolled in all school districts on September 20;

(4) determine the total full-time equivalent enrollment of exceptional children receiving special education and related services provided by all school districts;

(5) multiply the amount of the quotient obtained in paragraph (3) by the full-time equivalent enrollment determined in paragraph (4);

(6) determine the amount of federal funds received by all school districts for the provision of special education and related services;

(7) determine the amount of revenue received by all school districts rendered under contracts with the state institutions for the provisions of special education and related services by the state institution;

(8) add the amounts determined under paragraphs (6) and (7) to the amount of the product obtained under paragraph (5);

(9) determine the total amount of expenditures of all school districts for the provision of special education and related services;

(10) subtract the amount of the sum obtained under paragraph (8) from the amount determined under paragraph (9); and

(11) multiply the remainder obtained under paragraph (10) by 92%.

The computed amount is the amount of state aid for the provision of special education and related services aid a school district is entitled to receive for the ensuing school year.

(b) Each school district shall be entitled to receive:

(1) Reimbursement for actual travel allowances paid to special teachers at not to exceed the rate specified under K.S.A. 75-3203, and amendments thereto, for each mile actually traveled during the school year in connection with duties in providing special education or related services for exceptional children; such reimbursement shall be computed by the state board by ascertaining the actual travel allowances paid to special teachers by the school district for the school year and shall be in an amount equal to 80% of such actual travel allowances;

(2) reimbursement in an amount equal to 80% of the actual travel expenses incurred for providing transportation for exceptional children to special education or related services; such reimbursement shall not be paid if such child has been counted in determining the transportation weighting of the district under the provisions of the school district finance and quality performance act;

(3) reimbursement in an amount equal to 80% of the actual expenses incurred for the maintenance of an exceptional child at some place other than the residence of such child for the purpose of providing special education or related services; such reimbursement shall not exceed \$600

per exceptional child per school year; and

(4) except for those school districts entitled to receive reimbursement under subsection (c) or (d), after subtracting the amounts of reimbursement under paragraphs (1), (2) and (3) of this subsection (a) from the total amount appropriated for special education and related services under this act, an amount which bears the same proportion to the remaining amount appropriated as the number of full-time equivalent special teachers who are qualified to provide special education or related services to exceptional children and are employed by the school district for approved special education or related services bears to the total number of such qualified full-time equivalent special teachers employed by all school districts for approved special education or related services.

Each special teacher who is qualified to assist in the provision of special education or related services to exceptional children shall be counted as $\frac{2}{5}$ full-time equivalent special teacher who is qualified to provide special education or related services to exceptional children.

(c) Each school district which has paid amounts for the provision of special education and related services under an interlocal agreement shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount available for reimbursement for the provision of special education and related services under the interlocal agreement, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all school districts in the current school year who have entered into such interlocal agreement for provision of such special education and related services.

(d) Each contracting school district which has paid amounts for the provision of special education and related services as a member of a cooperative shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount available for reimbursement for the provision of special education and related services by the cooperative, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all contracting school districts in the current school year by such cooperative for provision of such special education and related services.

(e) No time spent by a special teacher in connection with duties performed under a contract entered into by the Kansas juvenile correctional complex, the Atchison juvenile correctional facility, ~~the Beloit juvenile correctional facility~~, the Larned juvenile correctional facility, or the Topeka juvenile correctional facility and a school district for the provision of special education services by such state institution shall be counted in making computations under this section.

Sec. 4. K.S.A. 76-2201, 76-2202, 76-2219, 76-2220 and K.S.A. 2009 Supp. 38-2302, 72-978 and 76-2201a are hereby repealed.

Sec. 5. This act shall take effect and be in force from and after its publication in the Kansas register.
