(Amended by Chapter 155)

AN ACT concerning children; relating to permanency; priority of certain orders; amending K.S.A. 38-1116 and 60-3107 and K.S.A. 2009 Supp. 38-1121, 38-2201, 38-2202, 38-2203, 38-2208, 38-2212, 38-2242, 38-2243, 38-2251, 38-2255, 38-2258, 38-2264, 38-2272, 38-2273, 38-2279, 38-2304, 38-2305, 38-2361 and 60-1610 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. Any custody or parenting time order, or order relating to the best interests of a child, issued pursuant to the revised Kansas code for care of children or the revised Kansas juvenile justice code, shall take precedence over any order under article 21 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto (adoption and relinquishment act), or article 30 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto (guardians and conservators), until jurisdiction under the revised Kansas code for care of children or the revised Kansas juvenile justice code is terminated.

Sec. 2. K.S.A. 38-1116 is hereby amended to read as follows: 38-1116. (a) The district court has jurisdiction of an action brought under the Kansas parentage act. The action may be joined with an action for divorce, annulment, separate maintenance, support or adoption.

(b) If any determination is sought in any action under the Kansas parentage act for custody, residency or parenting time, the initial pleading seeking that determination shall include that information required by K.S.A. 38-1356, and amendments thereto;

(c) The action may be brought in the county in which the child, the mother or the presumed or alleged father resides or is found. If a parent or an alleged or presumed parent is deceased, an action may be brought in the county in which proceedings for probate of the estate of the parent or alleged or presumed parent have been or could be commenced.

(d) *Any custody, residency or parenting time order issued pursuant to the revised Kansas code for care of children or the revised Kansas juvenile justice code, shall take precedence over any order under article 11 of chapter 38 of the Kansas Statutes Annotated, and amendments thereto (determination of parentage), until jurisdiction under the revised Kansas code for care of children or the revised Kansas juvenile justice code is terminated.*

(e) *If a court of competent jurisdiction within this state has entered an order pursuant to the revised Kansas code for care of children regarding custody of a child or children who are involved in a proceeding filed pursuant to this section, and such court has determined pursuant to subsection (i)(2) of K.S.A. 38-2264, and amendments thereto, that the orders in that case shall become the custody orders in the parentage case, such court shall file a certified copy of the orders with the civil case number in the caption and then close the case under the revised Kansas code for care of children. Such orders shall be binding on the parties, unless modified based on a material change in circumstances, even if such courts have different venues.*

Sec. 3. K.S.A. 2009 Supp. 38-1121 is hereby amended to read as follows: 38-1121. (a) The judgment or order of the court determining the existence or nonexistence of the parent and child relationship is determinative for all purposes, but if any person necessary to determine the existence of a father and child relationship for all purposes has not been joined as a party, a determination of the paternity of the child shall have only the force and effect of a finding of fact necessary to determine a duty of support.

(b) If the judgment or order of the court is at variance with the child's birth certificate, the court shall order that a new birth certificate be issued, but only if any man named as the father on the birth certificate is a party to the action.

(c) Upon adjudging that a party is the parent of a minor child, the court shall make provision for support and education of the child including the necessary medical expenses incident to the birth of the child. The court may order the support and education expenses to be paid by either or both parents for the minor child. When the child reaches 18 years of age, the support shall terminate unless: (1) The parent or parents agree,

by written agreement approved by the court, to pay support beyond that time; (2) the child reaches 18 years of age before completing the child's high school education in which case the support shall not automatically terminate, unless otherwise ordered by the court, until June 30 of the school year during which the child became 18 years of age if the child is still attending high school; or (3) the child is still a bona fide high school student after June 30 of the school year during which the child became 18 years of age, in which case the court, on motion, may order support to continue through the school year during which the child becomes 19 years of age so long as the child is a bona fide high school student and the parents jointly participated or knowingly acquiesced in the decision which delayed the child's completion of high school. The court, in extending support pursuant to subsection (c)(3), may impose such conditions as are appropriate and shall set the child support utilizing the guideline table category for 16-year through 18-year old children. Provision for payment of support and educational expenses of a child after reaching 18 years of age if still attending high school shall apply to any child subject to the jurisdiction of the court, including those whose support was ordered prior to July 1, 1992. If an agreement approved by the court prior to July 1, 1988, provides for termination of support before the date provided by subsection (c)(2), the court may review and modify such agreement, and any order based on such agreement, to extend the date for termination of support to the date provided by subsection (c)(2). If an agreement approved by the court prior to July 1, 1992, provides for termination of support before the date provided by subsection (c)(3), the court may review and modify such agreement, and any order based on such agreement, to extend the date for termination of support to the date provided by subsection (c)(3). For purposes of this section, "bona fide high school student" means a student who is enrolled in full accordance with the policy of the accredited high school in which the student is pursuing a high school diploma or a graduate equivalency diploma (GED). The judgment may require the party to provide a bond with sureties to secure payment. The court may at any time during the minority of the child modify or change the order of support, including any order issued in a title IV-D case, within three years of the date of the original order or a modification order, as required by the best interest of the child. If more than three years has passed since the date of the original order or modification order, a requirement that such order is in the best interest of the child need not be shown. The court may make a modification of support retroactive to a date at least one month after the date that the motion to modify was filed with the court. Any increase in support ordered effective prior to the date the court's judgment is filed shall not become a lien on real property pursuant to K.S.A. 60-2202, and amendments thereto.

(d) If both parents are parties to the action, the court shall enter such orders regarding custody, residency and parenting time as the court considers to be in the best interest of the child.

If the parties have an agreed parenting plan it shall be presumed the agreed parenting plan is in the best interest of the child. This presumption may be overcome and the court may make a different order if the court makes specific findings of fact stating why the agreed parenting plan is not in the best interest of the child. If the parties are not in agreement on a parenting plan, each party shall submit a proposed parenting plan to the court for consideration at such time before the final hearing as may be directed by the court.

(e) *If during the proceedings the court determines that there is probable cause to believe that the child is a child in need of care, as defined by subsections (d)(1), (d)(2), (d)(3) or (d)(11) of K.S.A. 2009 Supp. 38-2202, and amendments thereto, or that neither parent is fit to have residency, the court may award temporary residency of the child to a grandparent, aunt, uncle or adult sibling, or another person or agency if the court finds by written order that: (1)(A) The child is likely to sustain harm if not immediately removed from the home; (B) allowing the child to remain in home is contrary to the welfare of the child; or (C) immediate placement of the child is in the best interest of the child; and (2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety of the child. In making such a residency order, the court shall give preference, to the extent that the court finds it*

is in the best interests of the child, first to awarding such residency to a relative of the child by blood, marriage or adoption and second to awarding such residency to another person with whom the child has close emotional ties. The court may make temporary orders for care, support, education and visitation that it considers appropriate. Temporary residency orders are to be entered in lieu of temporary orders provided for in K.S.A. 2009 Supp. 38-2243 and 38-2244, and amendments thereto, and shall remain in effect until there is a final determination under the revised Kansas code for care of children. An award of temporary residency under this paragraph shall not terminate parental rights nor give the court the authority to consent to the adoption of the child. When the court enters orders awarding temporary residency of the child to an agency or a person other than the parent, the court shall refer a transcript of the proceedings to the county or district attorney. The county or district attorney shall file a petition as provided in K.S.A. 2009 Supp. 38-2234, and amendments thereto, and may request termination of parental rights pursuant to K.S.A. 2009 Supp. 38-2266, and amendments thereto. The costs of the proceedings shall be paid from the general fund of the county. If a final determination is made that the child is not a child in need of care, the county or district attorney shall notify the court in writing and the court, after a hearing, shall enter appropriate custody orders pursuant to this section. If the same judge presides over both proceedings, the notice is not required. Any custody, residency or parenting time order pursuant to the revised Kansas code for care of children shall take precedence over any custody, residency or parenting time order under this section.

~~(e)~~ (f) In entering an original order for support of a child under this section, the court may award an additional judgment to reimburse the expenses of support and education of the child from the date of birth to the date the order is entered. If the determination of paternity is based upon a presumption arising under K.S.A. 38-1114 and amendments thereto, the court shall award an additional judgment to reimburse all or part of the expenses of support and education of the child from at least the date the presumption first arose to the date the order is entered, except that no additional judgment need be awarded for amounts accrued under a previous order for the child's support.

~~(f)~~ (g) In determining the amount to be ordered in payment and duration of such payments, a court enforcing the obligation of support shall consider all relevant facts including, but not limited to, the following:

- (1) The needs of the child.
- (2) The standards of living and circumstances of the parents.
- (3) The relative financial means of the parents.
- (4) The earning ability of the parents.
- (5) The need and capacity of the child for education.
- (6) The age of the child.
- (7) The financial resources and the earning ability of the child.
- (8) The responsibility of the parents for the support of others.
- (9) The value of services contributed by both parents.

~~(g)~~ (h) The provisions of K.S.A. 23-4,107, and amendments thereto, shall apply to all orders of support issued under this section.

~~(h)~~ (i) An order granting parenting time pursuant to this section may be enforced in accordance with K.S.A. 23-701, and amendments thereto, or under the uniform child custody jurisdiction and enforcement act.

Sec. 4. K.S.A. 2009 Supp. 38-2201 is hereby amended to read as follows: 38-2201. K.S.A. 2009 Supp. 38-2201 through 38-2283, and amendments thereto, shall be known as and may be cited as the revised Kansas code for care of children.

(a) Proceedings pursuant to this code shall be civil in nature and all proceedings, orders, judgments and decrees shall be deemed to be pursuant to the parental power of the state. *Any custody, residency or parenting time orders pursuant to this code shall take precedence over any custody, residency or parenting time order under article 11 of chapter 38 of the Kansas Statutes Annotated, and amendments thereto (determination of parentage), article 21 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto (adoption and relinquishment act), article 30 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto (guardians and conservators), article 16 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto (divorce), article 31 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto (protection from abuse act), until jurisdiction under this code is termi-*

nated.

(b) The code shall be liberally construed to carry out the policies of the state which are to:

(1) Consider the safety and welfare of a child to be paramount in all proceedings under the code;

(2) provide that each child who comes within the provisions of the code shall receive the care, custody, guidance control and discipline that will best serve the child's welfare and the interests of the state, preferably in the child's home and recognizing that the child's relationship with such child's family is important to the child's well being;

(9) provide stability in the life of a child who must be removed from the home of a parent; and

(10) place children in permanent family settings, in absence of compelling reasons to the contrary.

(c) Nothing in this code shall be construed to permit discrimination on the basis of disability.

(1) The disability of a parent shall not constitute a basis for a determination that a child is a child in need of care, for the removal of custody of a child from the parent, or for the termination of parental rights without a specific showing that there is a causal relation between the disability and harm to the child.

(2) In cases involving a parent with a disability, determinations made under this code shall consider the availability and use of accommodations for the disability, including adaptive equipment and support services.

(c) Whenever it is determined that a temporary custody hearing is required, the court shall immediately set the time and place for the hearing. Notice of a temporary custody hearing shall be given to all parties and interested parties.

(d) Notice of the temporary custody hearing shall be given at least 24 hours prior to the hearing. The court may continue the hearing to afford the 24 hours prior notice or, with the consent of the party or interested party, proceed with the hearing at the designated time. (e) Oral notice may be used for giving notice of a temporary custody hearing where there is insufficient time to give written notice. Oral notice is completed upon filing a certificate of oral notice.

(2) If the secretary presents the court with a plan to provide services to a child or family which the court finds will assure the safety of the child, the court may only place the child in the temporary custody of the secretary until the court finds the services are in place. The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the temporary custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child. When the child is presently alleged, but not yet adjudicated to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2009 Supp. 38-2202, and amendments thereto, the child may be placed in a juvenile detention facility or other secure facility, but the total amount of time that the child may be held in such facility under this section and K.S.A. 2009 Supp. 38-2242, and amendments thereto, shall not exceed 24 hours, excluding Saturdays, Sundays and legal holidays. The order of temporary custody shall remain in effect until modified or rescinded by the court or an adjudication order is entered but not exceeding 60 days, unless good cause is shown and stated on the record.

(h) If the court issues an order of temporary custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child; or attempting to visit, contact, harass or intimidate the child, other family members or witnesses. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2009 Supp. 38-2237, and amendments

(ii) allowing the child to remain in home is contrary to the welfare of the child; or

(iii) immediate placement of the child is in the best interest of the child; and

(B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, upon making the order the court shall provide the secretary with a written copy.

Sec. 11. K.S.A. 2009 Supp. 38-2251 is hereby amended to read as follows: 38-2251. (a) If the court finds that the child is not a child in need of care, the court shall enter an order dismissing the proceedings.

(c) ~~A finding that a child subject to this code is a child in need of care shall be entered without undue delay. If the child has been removed from the child's home, an order of adjudication shall be entered as soon as practicable but not more than 60 days from the date of removal unless an order of informal supervision or an order of continuance for good cause has been entered. A final adjudication or dismissal shall be entered within 60 days from the date of the filing of the petition, unless good cause for a continuance is shown on the record.~~

Sec. 12. K.S.A. 2009 Supp. 38-2255 is hereby amended to read as follows: 38-2255. (a) *Considerations.* Prior to entering an order of disposition, the court shall give consideration to:

(c) *Removal of a child from custody of a parent.* The court shall not enter ~~an~~ *the initial* order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (1)(A) The child is likely to sustain harm if not immediately removed from the home;

(B) allowing the child to remain in home is contrary to the welfare of the child; or

(C) immediate placement of the child is in the best interest of the child; and

(2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(d) *Custody of a child removed from the custody of a parent.* If the court has made the findings required by subsection (c), the court shall enter an order awarding custody to a relative of the child or to a person with whom the child has close emotional ties *who shall not be required to be licensed under article 5 of chapter 65 of the Kansas Statutes An-*

Custody awarded under this subsection shall continue until further order of the court.

(1) When custody is awarded to the secretary, the secretary shall consider any placement recommendation by the court and notify the court of the placement or proposed placement of the child within 10 days of the order awarding custody. ~~(A)~~ After providing the parties or interested parties notice and opportunity to be heard, the court may determine whether the secretary's placement or proposed placement is contrary to the welfare or in the best interests of the child. In making that determination the court shall consider the health and safety needs of the child and the resources available to meet the needs of children in the custody of the secretary. If the court determines that the placement or proposed placement is contrary to the welfare or not in the best interests of the child, the court shall notify the secretary, who shall then make an alternative placement.

~~(B) The secretary may propose and the court may order the child to be placed in the custody of a parent or parents if the secretary has provided and the court has approved an appropriate safety action plan which includes services to be provided. The court may order the parent or parents and the child to perform tasks as set out in the safety action plan.~~

(2) The custodian designated under this subsection shall notify the court in writing at least 10 days prior to any planned placement with a parent. The written notice shall state the basis for the custodian's belief that placement with a parent is no longer contrary to the welfare or best interest of the child. Upon reviewing the notice, the court may allow the custodian to proceed with the planned placement or may set the date for a hearing to determine if the child shall be allowed to return home. If the court sets a hearing on the matter, the custodian shall not return the child home without written consent of the court.

(3) The court may grant any person reasonable rights to visit the child upon motion of the person and a finding that the visitation rights would be in the best interests of the child.

(4) The court may enter an order restraining any alleged perpetrator of physical, mental or emotional abuse or sexual abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2009 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(5) The court shall provide a copy of any orders entered within 10 days of entering the order to the custodian designated under this subsection.

(e) *Further determinations regarding a child removed from the home.* If custody has been awarded under subsection (d) to a person other than a parent, a permanency plan shall be provided or prepared pursuant to K.S.A. 2009 Supp. 38-2264, and amendments thereto. If a permanency plan is provided at the dispositional hearing, the court may determine whether reintegration is a viable alternative or, if reintegration is not a viable alternative, whether the child should be placed for adoption or a permanent custodian appointed. In determining whether reintegration is a viable alternative, the court shall consider:

(1) Whether a parent has been found by a court to have committed one of the following crimes or to have violated the law of another state prohibiting such crimes or to have aided and abetted, attempted, conspired or solicited the commission of one of these crimes: Murder in the first degree, K.S.A. 21-3401, and amendments thereto, murder in the second degree, K.S.A. 21-3402, and amendments thereto, capital murder, K.S.A. 21-3439, and amendments thereto, voluntary manslaughter, K.S.A. 21-3403, and amendments thereto, or a felony battery that resulted in bodily injury;

(2) whether a parent has subjected the child or another child to aggravated circumstances;

(3) whether a parent has previously been found to be an unfit parent in proceedings under this code or in comparable proceedings under the

laws of another state or the federal government;

(4) whether the child has been in extended out of home placement;

(5) whether the parents have failed to work diligently toward reintegration;

(6) whether the secretary has provided the family with services necessary for the safe return of the child to the home; and

(7) whether it is reasonable to expect reintegration to occur within a time frame consistent with the child's developmental needs.

(f) *Proceedings if reintegration is not a viable alternative.* If the court determines that reintegration is not a viable alternative, proceedings to terminate parental rights and permit placement of the child for adoption or appointment of a permanent custodian shall be initiated unless the court finds that compelling reasons have been documented in the case plan why adoption or appointment of a permanent custodian would not be in the best interests of the child. If compelling reasons have not been documented, the county or district attorney shall file a motion within 30 days to terminate parental rights or a motion to appoint a permanent custodian within 30 days and the court shall hold a hearing on the motion within 90 days of its filing. No hearing is required when the parents voluntarily relinquish parental rights or consent to the appointment of a permanent custodian.

(g) *Additional Orders.* In addition to or in lieu of any other order authorized by this section:

(1) The court may order the child and the parents of any child who has been adjudicated a child in need of care to attend counseling sessions as the court directs. The expense of the counseling may be assessed as an expense in the case. No mental health provider shall charge a greater fee for court-ordered counseling than the provider would have charged to the person receiving counseling if the person had requested counseling on the person's own initiative.

(2) If the court has reason to believe that a child is before the court due, in whole or in part, to the use or misuse of alcohol or a violation of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, by the child, a parent of the child, or another person responsible for the care of the child, the court may order the child, parent of the child or other person responsible for the care of the child to submit to and complete an alcohol and drug evaluation by a qualified person or agency and comply with any recommendations. If the evaluation is performed by a community-based alcohol and drug safety program certified pursuant to K.S.A. 8-1008, and amendments thereto, the child, parent of the child or other person responsible for the care of the child shall pay a fee not to exceed the fee established by that statute. If the court finds that the child and those legally liable for the child's support are indigent, the fee may be waived. In no event shall the fee be assessed against the secretary.

(3) If child support has been requested and the parent or parents have a duty to support the child, the court may order one or both parents to pay child support and, when custody is awarded to the secretary, the court shall order one or both parents to pay child support. The court shall determine, for each parent separately, whether the parent is already subject to an order to pay support for the child. If the parent is not presently ordered to pay support for any child who is subject to the jurisdiction of the court and the court has personal jurisdiction over the parent, the court shall order the parent to pay child support in an amount determined under K.S.A. 2009 Supp. 38-2277, and amendments thereto. Except for good cause shown, the court shall issue an immediate income withholding order pursuant to K.S.A. 23-4,105 et seq., and amendments thereto, for each parent ordered to pay support under this subsection, regardless of whether a payor has been identified for the parent. A parent ordered to pay child support under this subsection shall be notified, at the hearing or otherwise, that the child support order may be registered pursuant to K.S.A. 2009 Supp. 38-2279, and amendments thereto. The parent shall also be informed that, after registration, the income withholding order may be served on the parent's employer without further notice to the parent and the child support order may be enforced by any method allowed by law. Failure to provide this notice shall not affect the validity of the child support order.

Sec. 13. K.S.A. 2009 Supp. 38-2258 is hereby amended to read as follows: 38-2258. (a) Except as provided in K.S.A. 2009 Supp. 38-2255(d)(2) and 38-2259, and amendments thereto, if a child has been in

the same foster home or shelter facility for six months or longer, or has been placed by the secretary in the home of a parent or relative, the secretary shall give written notice of any plan to move the child to a different placement unless the move is to the selected preadoptive family for the purpose of facilitating adoption. The notice shall be given to: (1) The court having jurisdiction over the child; (2) *the petitioner*; (3) *the attorney for the parents, if any*; (4) each parent whose address is available; ~~(5)~~ (5) the foster parent or custodian from whose home or shelter facility it is proposed to remove the child; ~~(4)~~ (6) the child, if 12 or more years of age; ~~and (5)~~ (7) the child's guardian ad litem; (8) *any other party or interested party*; and (9) *the child's court appointed special advocate*.

(b) The notice shall state the placement to which the secretary plans to transfer the child and the reason for the proposed action. The notice shall be mailed by first class mail 30 days in advance of the planned transfer, except that the secretary shall not be required to wait 30 days to transfer the child if all persons enumerated in subsection (a) (2) through ~~(5)~~ (8) consent in writing to the transfer.

(c) Within 10 days after receipt of the notice, any person *enumerated in subsection (a)(2) through (8)* receiving notice as provided above may request, either orally or in writing, that the court conduct a hearing to determine whether or not the change in placement is in the best interests of the child concerned. When the request has been received, the court shall schedule a hearing and immediately notify the secretary of the request and the time and date the matter will be heard. The court shall give notice of the hearing to persons enumerated in subsection (a)(2) through ~~(5)~~ (9). *If the court does not receive a request for hearing within the specified time, the change in placement may occur prior to the expiration of the 30 days.* The secretary shall not change the placement of the child, except for the purpose of adoption, unless the change is approved by the court.

(d) When, after the notice set out above, a child in the custody of the secretary is removed from the home of a parent after having been placed in the home of a parent for a period of six months or longer, the secretary shall request a finding that: (1)(A) The child is likely to sustain harm if not immediately removed from the home;

(B) allowing the child to remain in home is contrary to the welfare of the child; or

(C) immediate placement of the child is in the best interest of the child; and

(2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(e) The secretary shall present to the court in writing the efforts to maintain the family unit and prevent the unnecessary removal of the child from the child's home. In making the findings, the court may rely on documentation submitted by the secretary or may set the date for a hearing on the matter. If the secretary requests such finding, the court, not more than 45 days from the date of the request, shall provide the secretary with a written copy of the findings by the court for the purpose of documenting these orders.

Sec. 14. K.S.A. 2009 Supp. 38-2264 is hereby amended to read as follows: 38-2264. (a) A permanency hearing is a proceeding conducted by the court or by a citizen review board for the purpose of determining progress toward accomplishment of a permanency plan as established by K.S.A. 2009 Supp. 38-2263, and amendments thereto.

(b) The court or a citizen review board shall hear and the court shall determine whether and, if applicable, when the child will be:

(1) Reintegrated with the child's parents;

(2) placed for adoption;

(3) placed with a permanent custodian; or

(4) if the secretary has documented compelling reasons why it would not be in the child's best interests for a placement in one of the placements pursuant to paragraphs (1), (2) or (3) placed in another planned permanent arrangement.

(c) The court shall enter a finding as to whether ~~the person or entity having custody of the child has made~~ reasonable efforts ~~to accomplish the permanency plan~~ *have been made by appropriate public or private agencies to rehabilitate the family and achieve the permanency goal* in place at the time of the hearing.

(d) A permanency hearing shall be held within 12 months of the date the court authorized the child's removal from the home and not less frequently than every 12 months thereafter.

(e) If the court determines at any time other than during a permanency hearing that reintegration may not be a viable alternative for the child, a permanency hearing shall be held no later than 30 days following that determination.

(f) When the court finds that reintegration continues to be a viable alternative, the court shall determine whether and, if applicable, when the child will be returned to the parent. The court may rescind any of its prior dispositional orders and enter any dispositional order authorized by this code or may order that a new plan for the reintegration be prepared and submitted to the court. If reintegration cannot be accomplished as approved by the court, the court shall be informed and shall schedule a hearing pursuant to this section. No such hearing is required when the parents voluntarily relinquish parental rights or consent to appointment of a permanent custodian.

(g) If the court finds reintegration is no longer a viable alternative, the court shall consider whether: (1) The child is in a stable placement with a relative; (2) services set out in the case plan necessary for the safe return of the child have been made available to the parent with whom reintegration is planned; or (3) compelling reasons are documented in the case plan to support a finding that neither adoption nor appointment of a permanent custodian are in the child's best interest. If reintegration is not a viable alternative and either adoption or appointment of a permanent custodian might be in the best interests of the child, the county or district attorney or the county or district attorney's designee shall file a motion to terminate parental rights or a motion to appoint a permanent custodian within 30 days and the court shall set a hearing on such motion within 90 days of the filing of such motion.

(h) If the court enters an order terminating parental rights to a child, or an agency has accepted a relinquishment pursuant to K.S.A. 59-2124, and amendments thereto, the requirements for permanency hearings shall continue until an adoption or appointment of a permanent custodian has been accomplished. If the court determines that reasonable efforts or progress have not been made toward finding an adoptive placement or appointment of a permanent custodian or placement with a fit and willing relative, the court may rescind its prior orders and make others regarding custody and adoption that are appropriate under the circumstances. Reports of a proposed adoptive placement need not contain the identity of the proposed adoptive parents.

(i) *If permanency with one parent has been achieved without the termination of the other parent's rights, the court may, prior to dismissing the case, enter child custody orders, including residency and parenting time that the court determines to be in the best interests of the child. The court shall complete a parenting plan pursuant to K.S.A. 60-1625, and amendments thereto.*

(1) *Before entering a custody order under this subsection, the court shall inquire whether a custody order has been entered or is pending in a civil custody case by a court of competent jurisdiction within the state of Kansas.*

(2) *If a civil custody case has been filed or is pending, a certified copy of the custody, residency and parenting time orders shall be filed in the civil custody case. The court in the civil custody case may, after consultation with the court in the child in need of care case, enter an order declaring that the custody order in the child in need of care case shall become the custody order in the civil custody case.*

(3) *A district court, on its own motion or upon the motion of any party, may order the consolidation of the child in need of care case with any open civil custody case involving the child and both of the child's parents. Custody, residency and parenting time orders entered in consolidated child in need of care and civil custody cases take precedence over any previous orders affecting both parents and the child that were entered in the civil custody case regarding the same or related issues. Following entry of a custody order in a consolidated case, the court shall dismiss the child in need of care case and, if necessary, return the civil custody case to the original court having jurisdiction over it.*

(4) *If no civil custody case has been filed, the court may direct the parties to file a civil custody case and to file the custody orders from the*

child in need of care case in that case. Costs of the civil custody case may be assessed to the parties.

(5) *Nothing in this subsection shall operate to expand access to information that is confidential under K.S.A. 38-2209, and amendments thereto, and the confidentiality of such information shall be preserved in all filings in a civil custody case.*

(j) *When permanency has been achieved to the satisfaction of the court, the court shall enter an order closing the case.*

Sec. 15. K.S.A. 2009 Supp. 38-2272 is hereby amended to read as follows: 38-2272. (a) A permanent custodian may be appointed:

(1) With the consent and agreement of the parents and approval by the court;

(2) after a finding of unfitness pursuant to K.S.A. 2009 Supp. 38-2269, and amendments thereto; or

(3) after termination of parental rights pursuant to K.S.A. 2009 Supp. 38-2270, and amendments thereto.

(b) Upon the appointment of a permanent custodian, the secretary's custody of the child shall cease. The court's jurisdiction over the child shall continue unless the court enters an order terminating jurisdiction.

(c) Subject to subsection (d), a permanent custodian shall stand *in loco parentis* and shall exercise all of the rights and responsibilities of a parent except the permanent custodian shall not:

(1) Consent to an adoption of the child; and

(2) be subject to court ordered child support or medical support.

(d) When the court retains jurisdiction after appointment of a permanent custodian, the court, in its order, may impose limitations or conditions upon the rights and responsibilities of the permanent custodian including, but not limited to, the right to:

(1) Determine contact with the biological parent;

(2) consent to marriage;

(3) consent to psychosurgery, removal of a bodily organ or amputation of a limb;

(4) consent to sterilization;

(5) consent to behavioral and medical experiments;

(6) consent to withholding life-prolonging medical treatment;

(7) consent to placement in a treatment facility; or

(8) consent to placement in a psychiatric hospital or an institution for the developmentally disabled.

(e) Absent a judicial finding of unfitness or court-ordered limitations pursuant to subsection (d), a permanent custodian may share parental responsibilities with a parent of the child as the permanent custodian determines is in the child's best interests. Sharing parental responsibilities does not relieve the permanent custodian of legal responsibility for the child.

(f) Parental consent to appointment of a permanent custodian shall be ~~on the record or executed by the parent of the child and in writing and shall be~~ acknowledged before a judge of a court of record. ~~It or before an officer authorized by law to take acknowledgments.~~ *If the consent is acknowledged before a judge of a court of record, it shall be the duty of the court before which the consent is acknowledged to advise the consenting parent of the consequences of the consent, including the following:*

(1) Do you understand that your parental rights are not being terminated and you can be ordered to pay child support and medical support for your child?

(2) Do you understand that to get the rights you still have with your child, you must keep the court up to date about how to contact you? This means that the court needs to always have your current address and telephone number.

(3) Do you understand that if your child is ever placed for adoption, the court will try to let you know by using the information you have given them? If your address and telephone number are not up to date, you might not know your child is placed for adoption.

(4) Do you understand that if you want information about your child's health or education, you will have to keep the information you give the court about where you are up to date because the information will be sent to the latest address the court has?

(5) Do you understand that you may be able to have some contact with your child, but only if the permanent custodian decides it is in the

child's best interests and if the court allows the contact?

(6) Do you understand that unless the court orders differently, the permanent custodian has the right to make the following decisions about your child: The amount and type of contact you have with the child; consent to your child's marriage; consent to medical treatment; consent to mental health treatment; consent to placement in a psychiatric hospital or an institution for the developmentally disabled; consent to behavioral and medical experiments; consent to sterilization and consent to withholding life-prolonging medical treatment?

(g) (1) A consent is final when executed, unless the parent whose consent is at issue, prior to issuance of the order appointing a permanent custodian, proves by clear and convincing evidence that the consent was not freely and voluntarily given. The burden of proving the consent was not freely and voluntarily given shall rest with that parent.

(2) If a parent has consented to appointment of a permanent custodian based upon a belief that the child's other parent would so consent or would be found unfit, and this does not occur, the consent shall be null and void.

(h) If a permanent custodian is appointed after a judicial finding of parental unfitness without a termination of parental rights, the parent shall retain only the following rights and responsibilities:

(1) The obligation to pay child support and medical support; and

(2) the right to inherit from the child.

(3) The right to consent to adoption of the child. All other parental rights transfer to the permanent custodian.

(i) If a permanent custodian is appointed after termination of parental rights, the parent retains no right or responsibilities to the child.

(j) Prior to appointing a permanent custodian, the court shall receive and consider an assessment of any potential permanent custodian as provided in K.S.A. 59-2132, and amendments thereto. In making an order appointing a permanent custodian the court shall give preference, to the extent that the court finds it in the child's best interests, to first appointing a permanent custodian who is a relative of the child or second a person with whom the child has close emotional ties.

(k) If permanent custodians are divorced, such custodian's marriage is annulled or the court orders separate maintenance, the court in that case has jurisdiction to make custody determinations between the permanent custodians.

Sec. 16. K.S.A. 2009 Supp. 38-2273 is hereby amended to read as follows: 38-2273. (a) An appeal may be taken by any party or interested party from any order of temporary custody, adjudication, disposition, finding of unfitness or termination of parental rights.

(b) An appeal from an order entered by a district magistrate judge shall be to a district judge. The appeal shall be heard on the basis of the record within 30 days from the date the notice of appeal is filed. If no record was made of the proceedings, the trial shall be de novo.

(c) Procedure on appeal shall be governed by article 21 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto.

(d) Notwithstanding any other provision of law to the contrary, appeals under this section shall have priority over all other cases.

(e) Every notice of appeal, docketing statement and brief shall be verified by the appellant if the appellant has been personally served at any time during the proceedings. Failure to have the required verification shall result in the dismissal of the appeal.

(f) *While a case is on appeal from the district court, the district court or magistrate court shall continue to have jurisdiction over all issues not specifically appealed and shall conduct timely permanency hearings.*

Sec. 17. K.S.A. 2009 Supp. 38-2279 is hereby amended to read as follows: 38-2279. (a) A person entitled to receive child support under an order issued pursuant to the code may file with the clerk of the district court in the county in which the judgment was rendered the original child support order and the original income withholding order, if any. If the original child support or income withholding order is unavailable for any reason, a certified or authenticated copy of the order may be substituted. The clerk of the district court shall number the child support order as a case filed under chapter 60 of the Kansas Statutes Annotated, and amendments thereto, and enter the numbering of the case on the appearance docket of the case. Registration of a child support order under this section shall be without cost or docket fee.

(b) If the number assigned to a case under the code appears in the caption of a document filed pursuant to this section, the clerk of the district court may obliterate that number and replace it with the new case number assigned pursuant to this section.

(c) The filing of the child support order shall constitute registration under this section. Upon registration of the child support order, all matters related to that order, including, but not limited to, modification of the order, shall proceed under the new case number *except as otherwise provided in this section*. Registration of a child support order under this section does not confer jurisdiction in the registration case for custody ~~or visitation~~, *residency or parenting time* issues.

(d) The person registering a child support order shall serve a copy of the registered child support order and income withholding order, if any, upon the party or interested parties by first-class mail. The person registering the child support order shall file, in the official file for each child affected, either a copy of the registered order showing the new case number or a statement that includes the caption, new case number and date of registration of the child support order.

(e) If the secretary is entitled to receive payment under an order which may be registered under this section, the county or district attorney shall take the actions permitted or required in subsections (a) and (d) ~~on behalf of the secretary, unless otherwise requested by~~ *upon request of* the secretary.

(f) A child support order registered pursuant to this section shall have the same force and effect as an original child support order entered under chapter 60 of the Kansas Statutes Annotated, and amendments thereto, including, but not limited to:

(1) The registered order shall become a lien on the real estate of the judgment debtor in the county from the date of registration;

(2) execution or other action to enforce the registered order may be had from the date of registration;

(3) the registered order may itself be registered pursuant to any law, including, but not limited to, the uniform interstate family support act, K.S.A. 23-9,101 et seq., and amendments thereto; *and*

(4) if any installment of support due under the registered order becomes a dormant judgment, it may be revived pursuant to K.S.A. 60-2404, and amendments thereto; ~~and~~

~~(5) the court~~ (g) *Subject to the provisions of K.S.A. 23-9,207, and amendments thereto, the court in the registration case shall have continuing jurisdiction over the child support action and the parties thereto and subject matter and, except as otherwise provided in subsection ~~(g)~~ (h) or (i), may modify any prior support order when if a material change in circumstances is shown irrespective of the present domicile of the child or parents. If more than three years have passed since the date of the original support order or the most recent modification order, a material change in circumstances need not be shown.* The court may make a modification of child support retroactive to a date at least one month after the date that the motion to modify was filed with the court.

(h) *At the direction of the judge in the child in need of care case, the registration case may be consolidated with the child in need of care case pursuant to the code of civil procedure so long as the child in need of care case is open. While the cases are consolidated, any motion to modify the registered support order shall be filed in the child in need of care case. If any support rights are assigned, the assignee shall be treated as an interested party in the consolidated cases for all proceedings involving the support order. Nothing in this subsection shall be construed to prevent or limit enforcement of the support order.*

~~(g)~~ *If a motion to modify the child support order is filed within three months after the date of registration pursuant to this section, if no motion to modify the order has previously been heard and if the moving party*

(i) *If the person requesting modification of current support shows that the support order was based upon one or more of the presumptions provided in K.S.A. 2009 Supp. 38-2277, and amendments thereto, or upon a stipulation pursuant to subsection (c) of K.S.A. 2009 Supp. 38-2277, and amendments thereto, the court shall apply the Kansas child support guidelines adopted pursuant to K.S.A. 20-165, and amendments thereto, without requiring a showing that a material change of circumstances has occurred, without regard to any previous presumption or stipulation used to determine the amount of the child support order and irrespective of*

the present domicile of the child or parents. ~~Nothing in this subsection shall prevent or limit enforcement of the support order during the three months after the date of registration.~~

Sec. 18. K.S.A. 2009 Supp. 38-2304 is hereby amended to read as follows: 38-2304. (a) Except as provided in K.S.A. 2009 Supp. 38-2347, and amendments thereto, proceedings concerning a juvenile shall be governed by the provisions of this code.

(b) The district court shall have original jurisdiction to receive and determine proceedings under this code.

(c) When a complaint is filed under this code, the juvenile shall be presumed to be subject to this code, unless the contrary is proved.

(d) Once jurisdiction is acquired by the district court over an alleged juvenile offender, except as otherwise provided in subsection (e), jurisdiction shall continue until one of the following occurs:

(1) The complaint is dismissed;

(2) the juvenile is adjudicated not guilty at trial;

(3) the juvenile, after being adjudicated guilty and sentenced:

(i) Successfully completes the term of probation or order of assignment to community corrections;

(ii) is discharged by the commissioner pursuant to K.S.A. 2009 Supp. 38-2376, and amendments thereto;

(iii) reaches the juvenile's 21st birthday and no exceptions apply that extend jurisdiction beyond age 21;

(4) the court terminates jurisdiction; or

(5) the offender is convicted of a new felony while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671 prior to its repeal or K.S.A. 2009 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony.

(e) Once jurisdiction is acquired by the district court over an alleged juvenile offender, it shall continue beyond the juvenile offender's 21st birthday but no later than the juvenile offender's 23rd birthday if either or both of the following conditions apply:

(1) The juvenile offender is sentenced pursuant to K.S.A. 2009 Supp. 38-2369, and amendments thereto, and the term of the sentence including successful completion of aftercare extends beyond the juvenile offender's 21st birthday; or

(2) the juvenile offender is sentenced pursuant to an extended jurisdiction juvenile prosecution and continues to successfully serve the sentence imposed pursuant to the revised Kansas juvenile justice code.

(f) Termination of jurisdiction pursuant to this section shall have no effect on the juvenile offender's continuing responsibility to pay restitution ordered.

(g) (1) If a juvenile offender, at the time of sentencing, is in an out of home placement in the custody of the secretary of social and rehabilitation services under the Kansas code for care of children, the sentencing court may order the continued placement of the juvenile offender as a child in need of care unless the offender was adjudicated for a felony or a second or subsequent misdemeanor. If the adjudication was for a felony or a second or subsequent misdemeanor, the continued placement cannot be ordered unless the court finds there are compelling circumstances which, in the best interest of the juvenile offender, require that the placement should be continued. In considering whether compelling circumstances exist, the court shall consider the reports and recommendations of the foster placement, the contract provider, the secretary of social and rehabilitation services, the presentence investigation and all other relevant factors. If the foster placement refuses to continue the juvenile in the foster placement the court shall not order continued placement as a child in need of care.

(2) If a placement with the secretary of social and rehabilitation services is continued after sentencing, the secretary shall not be responsible for any costs of sanctions imposed under this code.

(3) If the juvenile offender is placed in the custody of the juvenile justice authority, the secretary of social and rehabilitation services shall not be responsible for furnishing services ordered in the child in need of care proceeding during the time of the placement pursuant to the revised Kansas juvenile justice code. Nothing in this subsection shall preclude the juvenile offender from accessing other services provided by the department of social and rehabilitation services or any other state agency if

the juvenile offender is otherwise eligible for the services.

(h) *A court's order affecting a child's custody, residency, parenting time and visitation that is issued in a proceeding pursuant to this code, shall take precedence over such orders in a proceeding under article 11 of chapter 38 of the Kansas Statutes Annotated, and amendments thereto (parentage act), a proceeding under article 16 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto (divorce), a proceeding under article 31 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto (protection from abuse act), a proceeding under article 21 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto (adoption and relinquishment act), a proceeding under article 30 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto (guardians and conservators), or a comparable case in another jurisdiction, except as provided by K.S.A. 38-1336 et seq., and amendments thereto (uniform child custody jurisdiction and enforcement act).*

Sec. 19. K.S.A. 2009 Supp. 38-2305 is hereby amended to read as follows: 38-2305. (a) Venue for proceedings in any case involving a juvenile shall be in any county where any act of the alleged offense was committed.

(b) Except as provided in subsection (c), venue for sentencing proceedings shall be in the county of the juvenile offender's residence or, if the juvenile offender is not a resident of this state, in the county where the adjudication occurred. When the sentencing hearing is to be held in a county other than where the adjudication occurred, upon adjudication, the judge shall contact the sentencing court and advise the judge of the transfer. The adjudicating court shall send immediately to the sentencing court a facsimile of the complaint, the adjudication journal entry or judge's minutes, if available, and any recommendations in regard to sentencing. Such documents shall be sent for purposes of notification and shall not constitute original court documents. The adjudicating court shall also send to the sentencing court a complete copy of the official and social files in the case by mail within five working days of the adjudication.

(c) If the juvenile offender is adjudicated in a county other than the county of the juvenile offender's residence, the sentencing hearing may be held in the county in which the adjudication was made *or, if there are not any ongoing proceedings under the Kansas code for care of children, in the county of the residence of the custodial parent, parents, guardian or conservator* if the adjudicating judge, upon motion ~~by any person authorized to appeal~~, finds that it is in the interest of justice. *If there are ongoing proceedings under the revised Kansas code for care of children, then the sentencing hearing shall be held in the county in which the proceedings under the revised Kansas code for care of children are being held.*

Sec. 20. K.S.A. 2009 Supp. 38-2361 is hereby amended to read as follows: 38-2361. (a) Upon adjudication as a juvenile offender pursuant to K.S.A. 2009 Supp. 38-2356, and amendments thereto, modification of sentence pursuant to K.S.A. 2009 Supp. 38-2367, and amendments thereto, or violation of a condition of sentence pursuant to K.S.A. 2009 Supp. 38-2368, and amendments thereto, and subject to subsection (a) of K.S.A. 2009 Supp. 38-2365, and amendments thereto, the court may impose one or more of the following sentencing alternatives. In the event that any sentencing alternative chosen constitutes an order authorizing or requiring removal of the juvenile from the juvenile's home and such findings either have not previously been made or the findings are not or may no longer be current, the court shall make determinations as required by K.S.A. 2009 Supp. 38-2334 and 38-2335, and amendments thereto.

(1) Place the juvenile on probation through court services or community corrections for a fixed period, subject to terms and conditions the court deems appropriate consistent with juvenile justice programs in the community.

(2) Order the juvenile to participate in a community based program available in such judicial district subject to the terms and conditions the court deems appropriate. This alternative shall not be ordered with the alternative in paragraph (12) and when ordered with the alternative in paragraph (10) shall constitute a recommendation. Requirements pertaining to child support may apply if custody is vested with other than a parent.

(3) Place the juvenile in the custody of a parent or other suitable person, subject to terms and conditions consistent with juvenile justice

programs in the community. This alternative shall not be ordered with the alternative in paragraph (10) or (12). Requirements pertaining to child support may apply if custody is vested with other than a parent.

(4) Order the juvenile to attend counseling, educational, mediation or other sessions, or to undergo a drug evaluation pursuant to subsection (b).

(5) Suspend or restrict the juvenile's driver's license or privilege to operate a motor vehicle on the streets and highways of this state pursuant to subsection (c).

(6) Order the juvenile to perform charitable or community service work.

(7) Order the juvenile to make appropriate reparation or restitution pursuant to subsection (d).

(8) Order the juvenile to pay a fine not exceeding \$1,000 pursuant to subsection (e).

(9) Place the juvenile under a house arrest program administered by the court pursuant to K.S.A. 21-4603b, and amendments thereto.

(10) Place the juvenile in the custody of the commissioner as provided in K.S.A. 2009 Supp. 38-2365, and amendments thereto. This alternative shall not be ordered with the alternative in paragraph (3) or (12). Except for a mandatory drug and alcohol evaluation, when this alternative is ordered with alternatives in paragraphs (2), (4) and (9), such orders shall constitute a recommendation by the court. Requirements pertaining to child support shall apply under this alternative.

(11) Commit the juvenile to a sanctions house for a period no longer than 28 days subject to the provisions of subsection (f).

(12) Commit the juvenile directly to the custody of the commissioner for a period of confinement in a juvenile correctional facility and a period of aftercare pursuant to K.S.A. 2009 Supp. 38-2369, and amendments thereto. The provisions of K.S.A. 2009 Supp. 38-2365, and amendments thereto, shall not apply to juveniles committed pursuant to this provision, *provided however, that 21 days prior to the juvenile's release from a juvenile correctional facility, the commissioner or designee shall notify the court of the juvenile's anticipated release date. The court shall set and hold a permanency hearing pursuant to K.S.A. 2009 Supp. 38-2365, and amendments thereto, within seven days after the juvenile's release.* This alternative may be ordered with the alternative in paragraph (7). Requirements pertaining to child support shall apply under this alternative.

(b) If the court orders the juvenile to attend counseling, educational, mediation or other sessions, or to undergo a drug and alcohol evaluation pursuant to subsection (a)(4), the following provisions apply:

(1) The court may order the juvenile offender to participate in counseling or mediation sessions or a program of education, including placement in an alternative educational program approved by a local school board. The costs of any counseling or mediation may be assessed as expenses in the case. No mental health center shall charge a fee for court-ordered counseling greater than what the center would have charged the person receiving the counseling if the person had requested counseling on the person's own initiative. No mediator shall charge a fee for court-ordered mediation greater than what the mediator would have charged the person participating in the mediation if the person had requested mediation on the person's own initiative. Mediation may include the victim but shall not be mandatory for the victim; and

(2) if the juvenile has been adjudicated to be a juvenile by reason of a violation of a statute that makes such a requirement, the court shall order and, if adjudicated for any other offense, the court may order the juvenile to submit to and complete a drug and alcohol evaluation by a community-based drug and alcohol safety action program certified pursuant to K.S.A. 8-1008, and amendments thereto, and to pay a fee not to exceed the fee established by that statute for such evaluation. The court may waive the mandatory evaluation if the court finds that the juvenile completed a drug and alcohol evaluation, approved by the community-based alcohol and drug safety action program, within 12 months before sentencing. If the evaluation occurred more than 12 months before sentencing, the court shall order the juvenile to resubmit to and complete the evaluation and program as provided herein. If the court finds that the juvenile and those legally liable for the juvenile's support are indigent, the court may waive the fee. In no event shall the fee be assessed against the commissioner or the juvenile justice authority nor shall the fee be

assessed against the secretary of social and rehabilitation services or the department of social and rehabilitation services if the juvenile is in the secretary's care, custody and control.

(c) If the court orders suspension or restriction of a juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state pursuant to subsection (a)(5), the following provisions apply:

(1) The duration of the suspension ordered by the court shall be for a definite time period to be determined by the court. Upon suspension of a license pursuant to this subsection, the court shall require the juvenile offender to surrender the license to the court. The court shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the juvenile offender may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the juvenile offender's privilege to operate a motor vehicle is in effect. As used in this subsection, "highway" and "street" have the meanings provided by K.S.A. 8-1424 and 8-1473, and amendments thereto. Any juvenile offender who does not have a driver's license may have driving privileges revoked. No Kansas driver's license shall be issued to a juvenile offender whose driving privileges have been revoked pursuant to this section for a definite time period to be determined by the court; and

(2) in lieu of suspending a juvenile offender's driver's license or privilege to operate a motor vehicle on the highways of this state, the court may enter an order which places conditions on the juvenile offender's privilege of operating a motor vehicle on the streets and highways of this state, a certified copy of which the juvenile offender shall be required to carry any time the juvenile offender is operating a motor vehicle on the streets and highways of this state. The order shall prescribe a definite time period for the conditions imposed. Upon entering an order restricting a juvenile offender's license, the court shall require the juvenile offender to surrender such juvenile offender's license to the court. The court shall transmit the license to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on the juvenile offender's privilege of operating a motor vehicle and that a certified copy of the order imposing the conditions is required to be carried by the juvenile offender when operating a motor vehicle on the streets and highways of this state. If the juvenile offender is a nonresident, the court shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of the juvenile offender's state of issuance. The court shall furnish to any juvenile offender whose driver's license has had conditions imposed on it under this section a copy of the order, which shall be recognized as a valid Kansas driver's license until the division issues the restricted license provided for in this subsection. Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the juvenile offender may apply to the division for the return of the license previously surrendered by the juvenile offender. In the event the license has expired, the juvenile offender may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law unless such juvenile offender's privilege to operate a motor vehicle on the streets and highways of this state has been suspended or revoked prior thereto. If any juvenile offender violates any of the conditions imposed under this subsection, the juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be revoked for a period as determined by the court in which the juvenile offender is convicted of violating such conditions.

(d) The following provisions apply to the court's determination of whether to order reparation or restitution pursuant to subsection (a)(7):

(1) The court shall order the juvenile to make reparation or restitution to the aggrieved party for the damage or loss caused by the juvenile offender's offense unless it finds compelling circumstances that would render a plan of reparation or restitution unworkable. If the court finds

compelling circumstances that would render a plan of reparation or restitution unworkable, the court shall enter such findings with particularity on the record. In lieu of reparation or restitution, the court may order the juvenile to perform charitable or social service for organizations performing services for the community; and

(2) restitution may include, but shall not be limited to, the amount of damage or loss caused by the juvenile's offense. Restitution may be made by payment of an amount fixed by the court or by working for the parties sustaining loss in the manner ordered by the court. An order of monetary restitution shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile offender.

(e) If the court imposes a fine pursuant to subsection (a)(8), the following provisions apply:

(1) The amount of the fine may not exceed \$1,000 for each offense. The amount of the fine should be related to the seriousness of the offense and the juvenile's ability to pay. Payment of a fine may be required in a lump sum or installments;

(2) in determining whether to impose a fine and the amount to be imposed, the court shall consider that imposition of a fine is most appropriate in cases where the juvenile has derived pecuniary gain from the offense and that imposition of a restitution order is preferable to imposition of a fine; and

(3) any fine imposed by court shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile.

(f) If the court commits the juvenile to a sanctions house pursuant to subsection (a)(11), the following provisions shall apply:

(1) The court may order commitment for up to 28 days for the same offense or violation of sentencing condition. The court shall review the commitment every seven days and, may shorten the initial commitment or, if the initial term is less than 28 days, may extend the commitment;

(2) if, in the sentencing order, the court orders a sanctions house placement for a verifiable probation violation and such probation violation occurs, the juvenile may immediately be taken to a sanctions house and detained for no more than 48 hours, excluding Saturdays, Sundays and holidays, prior to court review of the placement. The court and all parties shall be notified of the sanctions house placement; and

(3) a juvenile over 18 years of age and less than 23 years of age at sentencing shall be committed to a county jail, in lieu of a sanctions house, under the same time restrictions imposed by paragraph (1), but shall not be committed to or confined in a juvenile detention facility.

(g) Any order issued by the judge pursuant to this section shall be in effect immediately upon entry into the court's minutes.

(h) In addition to the requirements of K.S.A. 2009 Supp. 38-2373, and amendments thereto, if a person is under 18 years of age and convicted of a felony or adjudicated as a juvenile offender for an offense if committed by an adult would constitute the commission of a felony, the court shall forward a signed copy of the journal entry to the commissioner within 30 days of final disposition.

(i) Except as further provided, if a juvenile has been adjudged to be a juvenile offender for an offense that if committed by an adult would constitute the commission of: (1) Aggravated trafficking, as defined in K.S.A. 2009 Supp. 21-3447, and amendments thereto, if the victim is less than 14 years of age; (2) rape, as defined in subsection (a)(2) of K.S.A. 21-3502, and amendments thereto; (3) aggravated indecent liberties with a child, as defined in subsection (a)(3) of K.S.A. 21-3504, and amendments thereto; (4) aggravated criminal sodomy, as defined in subsection (a)(1) or (a)(2) of K.S.A. 21-3506, and amendments thereto; (5) promoting prostitution, as defined in K.S.A. 21-3513, and amendments thereto, if the prostitute is less than 14 years of age; (6) sexual exploitation of a child, as defined in subsection (a)(5) or (a)(6) of K.S.A. 21-3516, and amendments thereto; or (7) an attempt, conspiracy or criminal solicitation, as defined in K.S.A. 21-3301, 21-3302 or 21-3303, and amendments thereto, of an offense defined in parts (1) through (6); the court shall issue an order prohibiting the juvenile from attending the attendance center that the victim of the offense attends. If only one attendance center exists, for

which the victim and juvenile are eligible to attend, in the school district where the victim and the juvenile reside, the court shall hear testimony and take evidence from the victim, the juvenile, their families and a representative of the school district as to why the juvenile should or should not be allowed to remain at the attendance center attended by the victim. After such hearing, the court may issue an order prohibiting the juvenile from attending the attendance center that the victim of the offense attends.

(j) The sentencing hearing shall be open to the public as provided in K.S.A. 2009 Supp. 38-2353, and amendments thereto.

Sec. 21. K.S.A. 2009 Supp. 60-1610 is hereby amended to read as follows: 60-1610. A decree in an action under this article may include orders on the following matters:

(a) *Minor children.* (1) *Child support and education.* The court shall make provisions for the support and education of the minor children. *Subject to the provisions of K.S.A. 23-9,207, and amendments thereto,* the court may modify or change any prior order, including any order issued in a title IV-D case, within three years of the date of the original order or a modification order, when a material change in circumstances is shown, irrespective of the present domicile of the child or the parents. If more than three years has passed since the date of the original order or modification order, a material change in circumstance need not be shown. The court may make a modification of child support retroactive to a date at least one month after the date that the motion to modify was filed with the court. Any increase in support ordered effective prior to the date the court's judgment is filed shall not become a lien on real property pursuant to K.S.A. 60-2202 and amendments thereto. Regardless of the type of custodial arrangement ordered by the court, the court may order the child support and education expenses to be paid by either or both parents for any child less than 18 years of age, at which age the support shall terminate unless: (A) The parent or parents agree, by written agreement approved by the court, to pay support beyond the time the child reaches 18 years of age; (B) the child reaches 18 years of age before completing the child's high school education in which case the support shall not terminate automatically, unless otherwise ordered by the court, until June 30 of the school year during which the child became 18 years of age if the child is still attending high school; or (C) the child is still a bona fide high school student after June 30 of the school year during which the child became 18 years of age, in which case the court, on motion, may order support to continue through the school year during which the child becomes 19 years of age so long as the child is a bona fide high school student and the parents jointly participated or knowingly acquiesced in the decision which delayed the child's completion of high school. The court, in extending support pursuant to subsection (a)(1)(C), may impose such conditions as are appropriate and shall set the child support utilizing the guideline table category for 12-year through 18-year old children. Provision for payment of support and educational expenses of a child after reaching 18 years of age if still attending high school shall apply to any child subject to the jurisdiction of the court, including those whose support was ordered prior to July 1, 1992. If an agreement approved by the court prior to July 1, 1992, provides for termination of support before the date provided by subsection (a)(1)(C), the court may review and modify such agreement, and any order based on such agreement, to extend the date for termination of support to the date provided by subsection (a)(1)(C). For purposes of this section, "bona fide high school student" means a student who is enrolled in full accordance with the policy of the accredited high school in which the student is pursuing a high school diploma or a graduate equivalency diploma (GED). In determining the amount to be paid for child support, the court shall consider all relevant factors, without regard to marital misconduct, including the financial resources and needs of both parents, the financial resources and needs of the child and the physical and emotional condition of the child. Until a child reaches 18 years of age, the court may set apart any portion of property of either the husband or wife, or both, that seems necessary and proper for the support of the child. Except for good cause shown, every order requiring payment of child support under this section shall require that the support be paid through the central unit for collection and disbursement of support payments designated pursuant to K.S.A. 23-4,118, and amendments thereto. A written agreement between the parties to

make direct child support payments to the obligee and not pay through the central unit shall constitute good cause, unless the court finds the agreement is not in the best interest of the child or children. The obligor shall file such written agreement with the court. The obligor shall maintain written evidence of the payment of the support obligation and, at least annually, shall provide such evidence to the court and the obligee. If the divorce decree of the parties provides for an abatement of child support during any period provided in such decree, the child support such nonresidential parent owes for such period shall abate during such period of time, except that if the residential parent shows that the criteria for the abatement has not been satisfied there shall not be an abatement of such child support.

(2) *Child custody and residency.* (A) *Changes in custody.* Subject to the provisions of the uniform child custody jurisdiction and enforcement act (K.S.A. 38-1336 through 38-1377, and amendments thereto), the court may change or modify any prior order of custody, residency, visitation and parenting time, when a material change of circumstances is shown, but no ex parte order shall have the effect of changing residency of a minor child from the parent who has had the sole de facto residency of the child to the other parent unless there is sworn testimony to support a showing of extraordinary circumstances. If an interlocutory order is issued ex parte, the court shall hear a motion to vacate or modify the order within 15 days of the date that a party requests a hearing whether to vacate or modify the order.

(B) *Examination of parties.* The court may order physical or mental examinations of the parties if requested pursuant to K.S.A. 60-235 and amendments thereto.

(3) *Child custody or residency criteria.* The court shall determine custody or residency of a child in accordance with the best interests of the child.

(A) If the parties have entered into a parenting plan, it shall be presumed that the agreement is in the best interests of the child. This presumption may be overcome and the court may make a different order if the court makes specific findings of fact stating why the agreed parenting plan is not in the best interests of the child.

(B) In determining the issue of child custody, residency and parenting time, the court shall consider all relevant factors, including but not limited to:

(i) The length of time that the child has been under the actual care and control of any person other than a parent and the circumstances relating thereto;

(ii) the desires of the child's parents as to custody or residency;

(iii) the desires of the child as to the child's custody or residency;

(iv) the interaction and interrelationship of the child with parents, siblings and any other person who may significantly affect the child's best interests;

(v) the child's adjustment to the child's home, school and community;

(vi) the willingness and ability of each parent to respect and appreciate the bond between the child and the other parent and to allow for a continuing relationship between the child and the other parent;

(vii) evidence of spousal abuse;

(viii) whether a parent is subject to the registration requirements of the Kansas offender registration act, K.S.A. 22-4901, et seq., and amendments thereto, or any similar act in any other state, or under military or federal law;

(ix) whether a parent has been convicted of abuse of a child, K.S.A. 21-3609, and amendments thereto;

(x) whether a parent is residing with an individual who is subject to registration requirements of the Kansas offender registration act, K.S.A. 22-4901, et seq., and amendments thereto, or any similar act in any other state, or under military or federal law; and

(xi) whether a parent is residing with an individual who has been convicted of abuse of a child, K.S.A. 21-3609, and amendments thereto.

(C) Neither parent shall be considered to have a vested interest in the custody or residency of any child as against the other parent, regardless of the age of the child, and there shall be no presumption that it is in the best interests of any infant or young child to give custody or residency to the mother.

(D) There shall be a rebuttable presumption that it is not in the best

interest of the child to have custody or residency granted to a parent who:

(i) Is residing with an individual who is subject to registration requirements of the Kansas offender registration act, K.S.A. 22-4901, et seq., and amendments thereto, or any similar act in any other state, or under military or federal law; or

(ii) is residing with an individual who has been convicted of abuse of a child, K.S.A. 21-3609, and amendments thereto.

(E) *If a court of competent jurisdiction within this state has entered an order pursuant to the revised Kansas code for care of children regarding custody of a child or children who are involved in a proceeding filed pursuant to this section, and such court has determined pursuant to subsection (i)(2) of K.S.A. 38-2264, and amendments thereto, that the orders in that case shall become the custody orders in the divorce case, such court shall file a certified copy of the orders with the civil case number in the caption and then close the case under the revised Kansas code for care of children. Such orders shall be binding on the parties, unless modified based on a material change in circumstances, even if such courts have different venues.*

(4) *Types of legal custodial arrangements.* Subject to the provisions of this article, the court may make any order relating to custodial arrangements which is in the best interests of the child. The order shall provide one of the following legal custody arrangements, in the order of preference:

(A) *Joint legal custody.* The court may order the joint legal custody of a child with both parties. In that event, the parties shall have equal rights to make decisions in the best interests of the child.

(B) *Sole legal custody.* The court may order the sole legal custody of a child with one of the parties when the court finds that it is not in the best interests of the child that both of the parties have equal rights to make decisions pertaining to the child. If the court does not order joint legal custody, the court shall include on the record specific findings of fact upon which the order for sole legal custody is based. The award of sole legal custody to one parent shall not deprive the other parent of access to information regarding the child unless the court shall so order, stating the reasons for that determination.

(5) *Types of residential arrangements.* After making a determination of the legal custodial arrangements, the court shall determine the residency of the child from the following options, which arrangement the court must find to be in the best interest of the child. The parties shall submit to the court either an agreed parenting plan or, in the case of dispute, proposed parenting plans for the court's consideration. Such options are:

(A) *Residency.* The court may order a residential arrangement in which the child resides with one or both parents on a basis consistent with the best interests of the child.

(B) *Divided residency.* In an exceptional case, the court may order a residential arrangement in which one or more children reside with each parent and have parenting time with the other.

(C) *Nonparental residency.* If during the proceedings the court determines that there is probable cause to believe that the child is a child in need of care as defined by subsections (d)(1), (d)(2), (d)(3) or (d)(11) of K.S.A. 2009 Supp. 38-2202, and amendments thereto, or that neither parent is fit to have residency, the court may award temporary residency of the child to a grandparent, aunt, uncle or adult sibling, or, another person or agency if the court finds by written order that: (i) (a) The child is likely to sustain harm if not immediately removed from the home;

(b) allowing the child to remain in home is contrary to the welfare of the child; or

(c) immediate placement of the child is in the best interest of the child; and

(ii) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child. In making such a residency order, the court shall give preference, to the extent that the court finds it is in the best interests of the child, first to awarding such residency to a relative of the child by blood, marriage or adoption and second to awarding such residency to another person with whom the child has close emotional ties. The court may make temporary orders for care, support, education and visitation that it considers appro-

priate. Temporary residency orders are to be entered in lieu of temporary orders provided for in K.S.A. 2009 Supp. 38-2243 and 38-2244, and amendments thereto, and shall remain in effect until there is a final determination under the revised Kansas code for care of children. An award of temporary residency under this paragraph shall not terminate parental rights nor give the court the authority to consent to the adoption of the child. When the court enters orders awarding temporary residency of the child to an agency or a person other than the parent, the court shall refer a transcript of the proceedings to the county or district attorney. The county or district attorney shall file a petition as provided in K.S.A. 2009 Supp. 38-2234, and amendments thereto, and may request termination of parental rights pursuant to K.S.A. 2009 Supp. 38-2266, and amendments thereto. The costs of the proceedings shall be paid from the general fund of the county. If a final determination is made that the child is not a child in need of care, the county or district attorney shall notify the court in writing and the court, after a hearing, shall enter appropriate custody orders pursuant to this section. If the same judge presides over both proceedings, the notice is not required. Any ~~disposition order~~ pursuant to the revised Kansas code for care of children shall be binding and shall supersede take precedence over any order under this section.

(6) *Priority.* Any custody or parenting time order, or order relating to the best interests of a child, issued pursuant to the revised Kansas code for care of children or the revised Kansas juvenile justice code, shall be binding and shall take precedence over any order under article 16 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto (divorce), until jurisdiction under the revised Kansas code for care of children or the revised Kansas juvenile justice code is terminated.

(7) *Child health insurance coverage.* The court may order that each parent execute any and all documents, including any releases, necessary so that both parents may obtain information from and to communicate with any health insurance provider regarding the health insurance coverage provided by such health insurance provider to the child. The provisions of this paragraph shall apply irrespective of which parent owns, subscribes or pays for such health insurance coverage.

(b) *Financial matters.* (1) *Division of property.* The decree shall divide the real and personal property of the parties, including any retirement and pension plans, whether owned by either spouse prior to marriage, acquired by either spouse in the spouse's own right after marriage or acquired by the spouses' joint efforts, by: (A) A division of the property in kind; (B) awarding the property or part of the property to one of the spouses and requiring the other to pay a just and proper sum; or (C) ordering a sale of the property, under conditions prescribed by the court, and dividing the proceeds of the sale. Upon request, the trial court shall set a valuation date to be used for all assets at trial, which may be the date of separation, filing or trial as the facts and circumstances of the case may dictate. The trial court may consider evidence regarding changes in value of various assets before and after the valuation date in making the division of property. In dividing defined-contribution types of retirement and pension plans, the court shall allocate profits and losses on the non-participant's portion until date of distribution to that nonparticipant. In making the division of property the court shall consider the age of the parties; the duration of the marriage; the property owned by the parties; their present and future earning capacities; the time, source and manner of acquisition of property; family ties and obligations; the allowance of maintenance or lack thereof; dissipation of assets; the tax consequences of the property division upon the respective economic circumstances of the parties; and such other factors as the court considers necessary to make a just and reasonable division of property. The decree shall provide for any changes in beneficiary designation on: (A) Any insurance or annuity policy that is owned by the parties, or in the case of group life insurance policies, under which either of the parties is a covered person; (B) any trust instrument under which one party is the grantor or holds a power of appointment over part or all of the trust assets, that may be exercised in favor of either party; or (C) any transfer on death or payable on death account under which one or both of the parties are owners or beneficiaries. Nothing in this section shall relieve the parties of the obligation to effectuate any change in beneficiary designation by the filing of such change with the insurer or issuer in accordance with the terms of such policy.

(2) *Maintenance.* The decree may award to either party an allowance for future support denominated as maintenance, in an amount the court finds to be fair, just and equitable under all of the circumstances. The decree may make the future payments modifiable or terminable under circumstances prescribed in the decree. The court may make a modification of maintenance retroactive to a date at least one month after the date that the motion to modify was filed with the court. In any event, the court may not award maintenance for a period of time in excess of 121 months. If the original court decree reserves the power of the court to hear subsequent motions for reinstatement of maintenance and such a motion is filed prior to the expiration of the stated period of time for maintenance payments, the court shall have jurisdiction to hear a motion by the recipient of the maintenance to reinstate the maintenance payments. Upon motion and hearing, the court may reinstate the payments in whole or in part for a period of time, conditioned upon any modifying or terminating circumstances prescribed by the court, but the reinstatement shall be limited to a period of time not exceeding 121 months. The recipient may file subsequent motions for reinstatement of maintenance prior to the expiration of subsequent periods of time for maintenance payments to be made, but no single period of reinstatement ordered by the court may exceed 121 months. Maintenance may be in a lump sum, in periodic payments, on a percentage of earnings or on any other basis. At any time, on a hearing with reasonable notice to the party affected, the court may modify the amounts or other conditions for the payment of any portion of the maintenance originally awarded that has not already become due, but no modification shall be made without the consent of the party liable for the maintenance, if it has the effect of increasing or accelerating the liability for the unpaid maintenance beyond what was prescribed in the original decree. Except for good cause shown, every order requiring payment of maintenance under this section shall require that the maintenance be paid through the central unit for collection and disbursement of support payments designated pursuant to K.S.A. 23-4,118, and amendments thereto. A written agreement between the parties to make direct maintenance payments to the obligee and not pay through the central unit shall constitute good cause. If child support and maintenance payments are both made to an obligee by the same obligor, and if the court has made a determination concerning the manner of payment of child support, then maintenance payments shall be paid in the same manner.

(3) *Separation agreement.* If the parties have entered into a separation agreement which the court finds to be valid, just and equitable, the agreement shall be incorporated in the decree. A separation agreement may include provisions relating to a parenting plan. The provisions of the agreement on all matters settled by it shall be confirmed in the decree except that any provisions relating to the legal custody, residency, visitation parenting time, support or education of the minor children shall be subject to the control of the court in accordance with all other provisions of this article. Matters settled by an agreement incorporated in the decree, other than matters pertaining to the legal custody, residency, visitation, parenting time, support or education of the minor children, shall not be subject to subsequent modification by the court except: (A) As prescribed by the agreement or (B) as subsequently consented to by the parties.

(4) *Costs and fees.* Costs and attorney fees may be awarded to either party as justice and equity require. The court may order that the amount be paid directly to the attorney, who may enforce the order in the attorney's name in the same case.

(c) *Miscellaneous matters.* (1) *Restoration of name.* Upon the request of a spouse, the court shall order the restoration of that spouse's maiden or former name. The court shall have jurisdiction to restore the spouse's maiden or former name at or after the time the decree of divorce becomes final. The judicial council shall develop a form which is simple, concise and direct for use with this paragraph.

(2) *Effective date as to remarriage.* Any marriage contracted by a party, within or outside this state, with any other person before a judgment of divorce becomes final shall be voidable until the decree of divorce becomes final. An agreement which waives the right of appeal from the granting of the divorce and which is incorporated into the decree or signed by the parties and filed in the case shall be effective to shorten

the period of time during which the remarriage is voidable.

Sec. 22. K.S.A. 60-3107 is hereby amended to read as follows: 60-3107. (a) The court may approve any consent agreement to bring about a cessation of abuse of the plaintiff or minor children or grant any of the following orders:

(1) Restraining the defendant from abusing, molesting or interfering with the privacy or rights of the plaintiff or of any minor children of the parties. Such order shall contain a statement that if such order is violated, such violation may constitute assault as provided in K.S.A. 21-3408, and amendments thereto, battery as provided in K.S.A. 21-3412, and amendments thereto, domestic battery as provided in K.S.A. ~~2005 Supp.~~ 21-3412a, and amendments thereto and violation of a protective order as provided in K.S.A. ~~2005 Supp.~~ 21-3843, and amendments thereto.

(2) Granting possession of the residence or household to the plaintiff to the exclusion of the defendant, and further restraining the defendant from entering or remaining upon or in such residence or household, subject to the limitation of subsection (d). Such order shall contain a statement that if such order is violated, such violation shall constitute criminal trespass as provided in subsection (c) of K.S.A. 21-3721, and amendments thereto, and violation of a protective order as provided in K.S.A. ~~2005 Supp.~~ 21-3843, and amendments thereto. The court may grant an order, which shall expire 60 days following the date of issuance, restraining the defendant from cancelling utility service to the residence or household.

(3) Requiring defendant to provide suitable, alternate housing for the plaintiff and any minor children of the parties.

(4) Awarding temporary custody and residency and establishing temporary parenting time with regard to minor children.

(5) Ordering a law enforcement officer to evict the defendant from the residence or household.

(6) Ordering support payments by a party for the support of a party's minor child, if the party is the father or mother of the child, or the plaintiff, if the plaintiff is married to the defendant. Such support orders shall remain in effect until modified or dismissed by the court or until expiration and shall be for a fixed period of time not to exceed one year. On the motion of the plaintiff, the court may extend the effect of such order for 12 months.

(7) Awarding costs and attorney fees to either party.

(8) Making provision for the possession of personal property of the parties and ordering a law enforcement officer to assist in securing possession of that property, if necessary.

(9) Requiring any person against whom an order is issued to seek counseling to aid in the cessation of abuse.

(10) Ordering or restraining any other acts deemed necessary to promote the safety of the plaintiff or of any minor children of the parties.

(b) No protection from abuse order shall be entered against the plaintiff unless:

(1) The defendant properly files a written cross or counter petition seeking such a protection order;

(2) the plaintiff had reasonable notice of the written cross or counter petition by personal service as provided in subsection (d) of K.S.A. 60-3104, and amendments thereto; and

(3) the issuing court made specific findings of abuse against both the plaintiff and the defendant and determined that both parties acted primarily as aggressors and neither party acted primarily in self-defense.

(c) Any order entered under the protection from abuse act shall not be subject to modification on ex parte application or on motion for temporary orders in any action filed pursuant to K.S.A. 60-1601 et seq., or K.S.A. 38-1101 et seq., and amendments thereto. Orders previously issued in an action filed pursuant to K.S.A. 60-1601 et seq., or K.S.A. 38-1101 et seq., and amendments thereto, shall be subject to modification under the protection from abuse act only as to those matters subject to modification by the terms of K.S.A. 60-1610 et seq., and amendments thereto, and on sworn testimony to support a showing of good cause. Immediate and present danger of abuse to the plaintiff or minor children shall constitute good cause. If an action is filed pursuant to K.S.A. 60-1610 et seq., or K.S.A. 38-1101 et seq., and amendments thereto, during the pendency of a proceeding filed under the protection from abuse act or while an order issued under the protection from abuse act is in effect, the court, on final hearing or on agreement of the parties, may issue final

orders authorized by K.S.A. 60-1610 and amendments thereto, that are inconsistent with orders entered under the protection from abuse act. Any inconsistent order entered pursuant to this subsection shall be specific in its terms, reference the protection from abuse order and parts thereof being modified and a copy thereof shall be filed in both actions. The court shall consider whether the actions should be consolidated in accordance with K.S.A. 60-242 and amendments thereto. *Any custody or parenting time order, or order relating to the best interests of a child, issued pursuant to the revised Kansas code for care of children or the revised Kansas juvenile justice code, shall be binding and shall take precedence over any such custody or parenting order involving the same child issued under the protection from abuse act, until jurisdiction under the revised Kansas code for care of children or the revised Kansas juvenile justice code is terminated.
