

SESSION OF 2002

SUPPLEMENTAL NOTE ON SENATE BILL NO. 618

As Amended by Senate Committee on
Ways and Means

Brief*

SB 618, as amended, allows appropriations from the State Institutions Building Fund (SIBF) to the Department of Social and Rehabilitation Services (SRS) to pay the debt service on bonds issued for the construction of a new state security hospital at Larned State Hospital in Larned, Kansas.

Background

SB 618 was requested by the Governor. SRS spoke in support of the bill. No one spoke in opposition to the bill.

SB 618 would not have a fiscal effect itself. The related fiscal effect from debt financing for the security hospital would depend on the amount of the debt service payments SRS would make from the SIBF.
