

SESSION OF 2003

**CONFERENCE COMMITTEE REPORT BRIEF
SENATE BILL NO. 71**

As Agreed to April 1, 2003

Brief *

SB 71 removes the sunset provision on the authorizing statute for the Kansas Payment Center (KPC). The KPC is the centralized unit for the collection and disbursement of child support payments and spousal maintenance. The 2001 Legislature approved legislation to create the KPC and set an expiration date of July 1, 2003, on the authorization language. The bill also abolishes the Central Payment Center Oversight Commission.

Background

The Conference Committee agreed to adopt the Senate version of SB 71 and recede from the House amendments.

The House Committee abolished the Central Payment Center Oversight Commission and extended the sunset provision from the current July 1, 2003, to July 1, 2005.

*Conference committee report briefs are prepared by the Legislative Research Department and do not express legislative intent. No summary is prepared when the report is an agreement to disagree.
