

SESSION OF 2003

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 2**

As Amended by Senate Committee on  
Federal and State Affairs

**Brief\***

SB 2 would amend current law regarding terms of members on the Kansas Agricultural Remediation Board and the University of Kansas Hospital Authority. The bill provides that terms of those serving on the Agricultural Remediation Board will expire on March 15 of the year in which the members' terms would have expired under their current appointments. Second, the bill makes technical amendments to current law on appointments to the University of Kansas Hospital Authority.

The Senate Committee amendment is technical.

**Background**

SB 2 was recommended by the Senate Confirmation Oversight Committee.

The expiration date of terms of the Agricultural Remediation Board members was changed to bring it into conformity with expiration dates of certain boards and commissions.

The fiscal note states that the bill would have no fiscal effect on the Kansas Department of Agriculture or the University of Kansas Medical Center or Hospital.
