SUPPLEMENTAL NOTE ON SENATE BILL NO. 73

As Amended by House Committee on Appropriations

Brief*

SB 73, as amended, authorizes expenditures from the State General Fund and various special revenue funds for the payment of specific claims against the State of Kansas. Agencies affected by the bill include: the Department of Revenue; Department of Transportation; State Fair; Judicial Branch; Juvenile Justice Authority; El Dorado Correctional Facility; Lansing Correctional Facility; and the University of Kansas.

Background

The House Committee amended the bill to: change the funding sources for two claims, the Juvenile Justice Authority and the University of Kansas, from those originally reflected in the bill to other sources; and add a claim authorizing the Department of Revenue to pay \$84,246 to a claimant as reimbursement for a canceled corporation income tax refund. Another House Committee amendment was technical in nature.

The Senate Committee amended the bill to delete two claims: the claim in the original section 5 of the bill which directed the Department of Wildlife and Parks to pay \$3,000 to a claimant for damage to his pasture as the result of a fire set by a park patron; and the claim in the original section 7 of the bill, which authorized a new State General Fund appropriation of \$5,000 to a claimant for damage to horses which had been seized and temporarily housed at the Hutchinson Correctional Facility. Other Senate Committee amendments were technical in nature.
