As Recommended by House Committee on  
Education

**Brief\***

HB 2004 codifies 2002 Session SB 551, HB 2094, and SB 531. The bill clarifies the definition of a juvenile detention facility and states that the State Board of Education shall not count more than 5,500 preschool-aged at-risk pupils for school finance purposes.

**Background**

The Legislative Educational Planning Committee recommended the bill for introduction after the Revisor of Statutes pointed out the need to have the statutes codified. No fiscal note is expected.
