

SESSION OF 2004

SUPPLEMENTAL NOTE ON SENATE BILL NO. 316

As Recommended by Senate Committee on
Judiciary

Brief*

SB 316 amends the Code of Civil Procedure dealing with general executions on property in satisfaction of a judgement to require the executions and orders of sale be signed by a judge.

Background

The bill was supported by the Kansas Association of District Court Clerks and Administrators. A proponent said the change would relieve the clerks from the responsibility of insuring all journal entries have been filed and all appeal time has passed—a responsibility that a judge should have, not a clerk.

The bill has no fiscal impact.
