

SESSION OF 2004

**SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2735**

As Recommended by House Committee on  
Health and Human Services

**Brief\***

HB 2735 concern pharmacy technicians. The bill authorizes the Board of Pharmacy, the agency that registers Pharmacy Technicians, to limit, suspend, or revoke a registration, in addition to its current authority to deny an application for issuance or renewal of any registration as a Pharmacy Technician.

**Background**

While there were no proponents for the bill, Representative Hill and the Executive Director of the Board of Pharmacy commented that the provisions of the bill represent a logical addition to the Board's authority to regulate Pharmacy Technicians and are consistent with the authority other regulatory boards have over their licensees and registrants.

The fiscal note prepared by the Division of the Budget indicates that passage of the bill will have no fiscal effect.
