

SESSION OF 2004

**SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2764**

As Recommended by House Committee on  
Judiciary

**Brief\***

HB 2764 deals with class action suits and changes some of the language related to the maintainability of a class action. New language is inserted regarding appeals whereby the Court of Appeals may permit an appeal from a district court order granting or denying class action certification. The application must be made within 10 days after entry of the order. An appeal does not stay proceedings in the district court unless so ordered.

**Background**

A Washburn School of Law Professor testified in favor of the bill. Support was also expressed on behalf of the Kansas Chamber and a practicing attorney.

The fiscal note was not available when the bill passed out of Committee.
