As Recommended by Senate Committee on
Assessment and Taxation

Brief*

SB 295 would amend a local sales tax statute to authorize the Neosho County Board of County Commissioners to seek voter approval of a 0.5 percent sales tax earmarked for roadway construction and improvement. If imposed, the tax would be required to expire once all such costs have been paid.

Background

The Neosho County Engineer appeared as a proponent of the bill on behalf of the Neosho County Commissioners. According to testimony received, voter approval for imposition of this tax has not yet been sought.

The bill would have no fiscal effect on state revenues or expenditures.
