

SESSION OF 2005

**SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2124**

As Recommended by House Committee on  
Transportation

**Brief\***

HB 2124 would amend KSA 8-135 to insert language recognizing under state law a security interest in vehicles registered by federally recognized Indian tribes. An additional provision would ensure that perfected liens under applicable tribal law would be recognized by Kansas when the liens are noted on the faces of tribal certificates of title.

**Background**

Proponents, who included the Kansas Bankers' Association, the Kansas Credit Union Association, and the Prairie Band Potawatomi Nation, said that the bill would improve the comfort level of lenders providing financing for certain vehicles owned by members of the Potawatomi Nation. Proponents also said the provisions of HB 2124 are similar to those enacted last year in Oklahoma.
