

SESSION OF 2005

SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2154

As Recommended by House Committee on
Health and Human Services

Brief*

HB 2154 would repeal statutes governing disciplinary actions and the State Board of Pharmacy. The bill would repeal KSA 65-1627d, KSA 65-1627e, and KSA 65-1627g relating to disciplinary hearings of the board.

Background

HB 2154 was introduced by the House Committee on Health and Human Services at the request of the State Board of Pharmacy. The State Board of Pharmacy supported the bill. Its representative indicated that the repeal was necessary to delete obsolete statutes and to address a conflict with the Kansas Administrative Procedures Act (KAPA). The Board representative noted that the Board conducts all of its hearings pursuant to KAPA.

The fiscal note prepared by the Division of the Budget indicates that the repeal of the statutes would have no fiscal effect for the agency.
