

SESSION OF 2006

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 348**

As Recommended by Senate Committee  
on Education

**Brief\***

SB 348 would amend current law regarding the publication of meeting dates by local boards of education. Under current law, a local board is required to establish a certain day or days of the month for the regular school board meeting, e.g., second Monday of each month. The bill would allow local boards to set the actual meeting dates for the fiscal year, e.g., September 9, October 4.

**Background**

The bill was requested by the Lawrence Unified School District and their representative appeared in support of the bill, as did the representative of Kansas Association of School Boards. No one appeared as an opponent of the bill.

The fiscal note indicates that enactment of SB 348 would have no fiscal impact.
