The number of board members representing professions and institutions concerning the care and treatment of chronically ill or infirm elderly patients would decrease to two members. The number of board members who are adult care home administrators would increase to three members. In addition, the adult care home administrators serving on the board would be required to currently be engaged in the administration of adult care homes and for the three years immediately preceding the appointment to the board.

The bill also clarifies that the license of an adult care home administrator may be denied, revoked or suspended for failure to provide overall management of the nutrition, medications, and treatment of residents.
