

SESSION OF 2006

SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2681

As Amended by Senate Committee on
Assessment and Taxation

Brief*

HB 2681 would authorize Atchison County, subject to approval by voters, to impose a local sales tax of 0.25 percent to finance the construction and maintenance of sports and recreational facilities. Any such tax imposed would be required to sunset once all costs authorized in the financing of the facilities had been paid.

Background

Proponents included Rep. Jerry Henry and a representative of the Atchison Area Chamber of Commerce Sports Complex Committee.

The Senate Committee made technical amendments to the bill at the suggestion of the revisor to reconcile various local sales tax statutes that have already been amended in 2006.

The bill does not have a fiscal impact for the state.
