

SESSION OF 2010

SUPPLEMENTAL NOTE ON SENATE BILL NO. 441

As Recommended by Senate Committee on
Judiciary

Brief*

SB 441 would repeal the Revised Uniform Limited Partnership Act to allow limited partnership mergers to take place under the Business Entity Transaction Act (BETA). The bill also would delete the provision in BETA that currently excludes limited partnerships so that BETA can apply to limited partnerships. Limited partnerships would be required to file a certificate of merger with the Secretary of State.

Background

BETA was enacted by the 2009 Legislature with the passage of SB 132.

The proponent of the bill who presented testimony in the Senate Committee hearing was a representative of the Kansas Secretary of State's Office.

There were no opponents of the bill who presented testimony in the Senate Committee hearing.

The Senate Committee is of the opinion that the bill is of a noncontroversial nature and placed it on the Consent Calendar.

The fiscal note provided on this bill, as introduced, states that the Secretary of State indicates passage of the bill would have no fiscal effect on its operation.
