Dear Chair & members of the committee,

I am writing to voice my opposition to bill SB 208.

As a public servant that serves disabled people, I respectfully request 24/7 ballot drop boxes throughout the counties. Disabled people rely on family or staff to take them to drop off their ballots. Assistance often takes place after business hours.

Please do not disenfranchise disabled people.

Please don't disenfranchise disabled people, VOTE NO on bill SB 208
