

Dear Madam Chairwoman Tyson and Members of the Senate Assessment and Taxation Committee,

I fully support SCR 1610 and urge you to do the same.

Since moving into Miami County from Johnson County in July of 2020, our property value has skyrocketed:

- 2021 Value: \$450,400
- 2022 Value: \$499,700
- 2023 Value: \$571,000

While we understand home prices have increased in value, there has been some leveling off with huge interest rate hikes dampening the housing market greatly. A **14%** increase in 2023 and an **11%** increase the year before is excessive and a burden.

I urge your support for SCR 1610.

Sincerely,

Ann Campbell
