Dear Legislators,

I am the Business Representative for IBEW 124. Our jurisdiction covers 5 counties in Kansas (Leavenworth, Wyandotte, Johnson, Miami, and Lynn) and we represent over 3,000 electricians.

I am writing you today in support of SB 325. This rapidly growing industry falls under IBEW's line of work and would bring many high-quality jobs to your constituents. For Kansas to be competitive with the rest of the nation for economic development the passing of SB 325 is imperative.

Thank you for your consideration and have a great day.

Sincerely,

Wade H. Kiefer  
Business Agent, IBEW Local 124
