SB210

Proponent

Brett Anderson

Representing myself

Chairman Thompson and Members of the Committee,

I am submitting my testimony supporting SB210. I believe this bill is a step in the right direction. Although we like to think some positions of government are non-partisan, lets face it, in this day and age all positions are partisan. Not everyone is educated on where some of these candidates stand, so knowing their party affiliation when it is time to vote, will help the voter make his or her decision. Again, I am voicing my support of SB210.

Respectfully,

Brett Anderson
