Chairman Thompson and Members of the Committee, thank you so much for giving me time to share my thoughts on SB 365 with you today. My name is Iridescent Riffel and I am a voter in Johnson County. I am writing today to encourage the committee to vote no on SB365.

Putting restrictions for mail in ballots takes away citizen's rights to fulfill their solemn duty of voting. This is clearly an attempt by the authors of the bill to further disenfranchise Kansans and silence them. This is not only undemocratic- it is a clear sign from the sponsors and supporters of this bill that democracy does not matter to them. This bill places large burden on our postal service- a burden that shouldn't have to exist. Our communities can only thrive when we care about the voices of all-not just the voices we may like or agree with.

Once again, I thank you all for hearing my story and thoughts on this bill, and I encourage you all to vote no of the passage of SB 365. Thank you for listening to my experiences and I hope you vote no on SB 365 in order to protect voting right and promote civic engagement.
