Private Citizen

Chairman Thompson and Members of the Committee, thank you for giving me time to share my thoughts on SB 365. My name is Jessica Porter and I am a voter in Shawnee County. I am writing today to encourage the committee to vote no on SB365.

As a voter in Shawnee County specifically, I want to voice my concern with add more barriers to voting in out county. With only 1 early voting location on the very south side of Topeka available, there are many voters who rely on mail in voting. This bill would further restrict mail in voting and seriously impede citizens' ability to vote at no fault of their own but because they are guilty of having slow mail that is provided by the government. Why are we punishing citizens who are correctly participating in their right to vote? Especially in a county that already has limited access to early voting? For these reasons, I urge you to vote no on SB 365.

Once again, I thank you all for hearing my story and thoughts on this bill, and I encourage you all to vote no of the passage of SB 365. Thank you.
