Chairman Thompson and Members of the Committee, thank you for giving me time to share my thoughts on SB 365. My name is Kristina Bridges and I am a voter in Johnson County. I am writing today to encourage the committee to vote no on SB365"

Advanced voting in Kansas is safe, secure, and has been used widely by Kansans for decades. Eliminating the 3 day grace period would restrict rural, elderly, and/or disabled voters who rely on the post office to make their voices heard. Lawmakers should do everything they can to make voting more accessible, not restrict it.

I encourage you all to protect voters' rights and vote no on the passage of SB 365. Thank you.
