The tax credit shall be applied against the Kansas-based production company's income tax liability for the taxable year in which the qualified expenditures are made by the Kansas-based production company. If the amount of the tax credit exceeds the Kansas-based production company's income tax liability, the Kansas-based production company may carry over the amount of the tax credit that exceeds such tax liability for deduction from the Kansas-based production company's income tax liability in the next succeeding taxable year or years until the total amount of the tax credit has been deducted from the Kansas-based production company's tax liability, except that no such tax credit shall be carried over for deduction after the 10<sup>th</sup> taxable year succeeding the year in which the qualified expenditures were made by the Kansas-based production company. If the Kansas-based production company is a corporation having an election in effect under subchapter S of the federal internal revenue code, a partnership or a limited liability company, the credit shall be claimed by the shareholders of such corporation, the partners of such partnership or members of such limited liability company in the same manner as such shareholders, partners or members account for their proportionate shares of the income or loss of the corporation, partnership or limited liability company and in accordance with the agreement executed pursuant to section 3, and amendments thereto. (i) For purposes of determining the payment of credit claims pursuant to this section, the secretary of revenue may require that credit claims of affiliates be combined into one claim if necessary to accurately reflect closely integrated activities of affiliates.

(j) If a production company hires another production company to produce a project or contribute elements of a project for pay, the hired company shall be considered a service provider for the hiring company, and the hiring company shall be entitled to the income tax credit authorized by this section.

(k) The tax credit allowed pursuant to this section may be transferred, in whole or in part, by the production company or, as provided by subsection (a), a shareholder, partner or member, to one or more transferees. The transferor shall provide notification and documentation of the transfer or transfers with its claim for a tax credit pursuant to subsection (b) filed with the secretary of revenue in such form and manner as may be required by the secretary of revenue, including all information requested by the secretary of revenue regarding the transferee.
