The Honorable Susan Estes, Chairperson  
House Committee on Education  
300 SW 10th Avenue, Room 218-N  
Topeka, Kansas 66612

Dear Representative Estes:

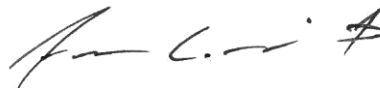

SUBJECT: Fiscal Note for HB 2102 by House Committee on Education

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2102 is respectfully submitted to your committee.

HB 2102 would change current law regarding military students in school districts. The bill would allow a military student, who provides evidence that the student's parent or person acting as a parent, would be stationed at a military installation in Kansas during the current or succeeding school year to enroll in a school district.

The enactment of the bill would have no fiscal effect on the operations of the Department of Education. The bill would allow a change to current law to change the way that military students would be allowed to enroll in school districts; however, any fiscal effect on state aid payments for this change would be negligible. Any fiscal effect associated with HB 2102 is not reflected in *The FY 2026 Governor's Budget Report*.

Sincerely,

Adam C. Proffitt  
Director of the Budget
