Bill HB 2021

Opponent Written-only Testimony

Conferee: Dale Enyart

Representing: Self

Chairman Proctor and Members of the Committee,

My name is Dale Enyart and I am a resident of Kingman County. I am completely opposed to HB 2021. Rules governing ballot drop boxes need to be passed as law through the legislature if we must use them at all. The law must include transparency and be auditable by the general voting public with cameras and video surveillance if we are to maintain trust in our election integrity. To place this responsibility into one elected official is a horrendous idea. Agencies should not be able to create "rules and regulations" and have the effect of law. We must return the duty of lawmaking to our elected legislators.

I oppose HB 2021 and I ask you oppose it also.
