Bill: HB 2106

Proponent Written-only Testimony

Conferee: Dale Enyart

Representing: Self

Chairman Proctor and Members of the Committee,

I am a Proponent of HB 2106. I wholly support the elimination of foreign contributions not just on Constitutional Amendments but also in our elections as a whole. It's pure common sense election security. I ask you to support HB 2106.

Thank you,

Dale Enyart
