**Dear Chairman Proctor and Members of the Committee,**

**Please support the removal of dead voters by County Election clerks and HB2016.**

**There is no good reason to keep dead persons on the voter roll, unless we are planning a zombie apocalypse? If the report of a death is in error, the person could re register. Too easy to vote leaves the door open for cheaters.**

**Thank you,**

**Patricia DeDamos**

**PS.- When I moved to a different address – it took me 3 TIMES to change my address, for my new address to be corrected by Secretary of States office.**
