Bill #: SB 6

Proponent Written Testimony Only

Conferee: Mary Stang

Representing: Self

To Whom This May Concern, Chairman Thompson, Committee Members,

My name is Mary Stang and I am a lifelong resident of Sedgwick County. I am submitting a written only testimony as a proponent of SB 6. I am not in favor in any way to have Rank Choice Voting for the way we do elections. This is a Democrat led initiative that is meant to tear down the way we do our elections and is not fair in any way at all. It is like an overblown survey that takes way too long to decide who the winner of the election is and takes the choice of voters when the candidate of their choice loses and the votes are given to the next best on the ticket. I believe that if we allow this to happen in our state or in our Republic we have lost our freedom as we know it. It will destroy the confidence in voting and will cause people to get elected who are not our choice or even qualified to run. Eeny Meeny Miny Mo is never the way to conduct the elections of a Constitutional Republic and I am adamantly opposed to allowing this at all. Thank you for your time and consideration.

Sincerely,

Mary Stang

Proud Kansan, American and a firm advocate for free and fair elections in every state in this Republic
