HB2028

Proponent

Good morning Chairman Kessler and committee members.

I am here to voice strong support for HB2028. The expiration of this bill was an oversight error, expiring in 2021. It became law in 2017 with a five-year sunset. Why it sunseted is beyond me.

In closing, we all need to help so that we can get these young folks out there fishing and hunting. They are the future for our great pastime. I will stand for questions at the appropriate time.
