HB 2332 Oral Proponent Testimony

Chairman Kessler:

Thank you for the opportunity to testify in support of HB 2332.

The House chambers feature a beautiful podium made by a former member of the House. It features a seal matching the seal described in the bill. That seal has never been codified into law. Thus, I respectfully ask the Committee recommend HB 2332 pass favorably.

Thank you for your consideration of this matter.

Respectfully,

Susan O. Estes
