House Fed and State

Hb 2204, Proponent, Written only testimony

Hearing 3.12.25

Chairman Kessler and Committee Members,

I am a Proponent on Hb 2204. We must never be under the thumb of the globalist. The WHO, UN, and WEF have no place in Kansas. We must stand strong as a state. They must never have power on our rules, regulations, or policies.

Please pass out Favorably Hb 2204.

Thank you,

Debbie Detmer

KS GOP delegate
