Proponent Written-only Testimony

Conferee: Dale Enyart

Representing: Self

Chairman Carpenter and Members of the Committee,

I'm writing in support of Senate Sub for SB29. I apologize for the lack of detail but time and illness dictate that. Rest assured, I fully support this bill even though I do not find it goes far enough in protecting citizens God-given Constitutionally guaranteed rights...it's a starting point.

Thank you for supporting Senate Sub for SB 29 as written.
