

Written Testimony in Support of SB84

Kansas City Kansas Chamber of Commerce

February 27, 2025

Madam Chair and members of the Committee,

The mission of the Kansas City Kansas Chamber of Commerce is to advance, advocate, and aid in maintaining a sustainable pro-business environment in Wyandotte County. The KCK Chamber of Commerce proudly represents over 450 members from across the metro and advocates for pro-business legislation on behalf of our membership.

The KCK Chamber is supportive of Senate Bill 84, which would increase the penalties for fraudulent conduct involving gift cards. This Bill not only brings awareness to this critical issue, it provides assurance to our retail Chamber members by codifying authority for law enforcement to take action against individuals who commit these crimes. Effectively addressing these crimes will help retail businesses and consumers alike.

The Kansas City Kansas Chamber of Commerce respectfully request that the Committee favorably advance SB84.

Thank you for your consideration.

Sincerely,
