Madam Chair and members of the Committee,

KASB appears today in opposition to SCR 1611. As always, our testimony is directed by our member-approved legislative policy platform. Our permanent policies, re-affirmed by our members in November 2024, state:

Role of the Courts

KASB supports the role of an independent judiciary in enforcing constitutional provisions. We oppose either changing the selection process for judges or limiting the ability of the courts to enforce those provisions, which would weaken the traditional separation of powers in Kansas.

I'm happy to stand for questions at the appropriate time.

KASB is a non-profit service organization built on an abiding belief in Kansas public schools.

We have put the needs of students and K-12 leaders first since 1917.
