JIM MINNIX  
118TH DISTRICT

March 5<sup>th</sup>, 2025

To: Chairperson Emil Bergquist, House Committee on Local Government

I want to express my support for SB2, concerning school districts elections; relating to questions submitted elections on the issuance of bonds by a school district; validating the election results for the bond issuance question submitted by the board of education of USD 200, Greeley county;

The passage of SB 2, will ensure fairness and uniformity of access to bond funds for USD 200 as compared to other districts across Kansas. Most importantly, the bill ensures that the will of the voters in USD 200 Greeley County Public Schools is carried out regarding their bond issue vote in May 2024.

I want to thank the committee for considering favorable passage of SB 2. I also want to thank the committee for the work you do supporting the quality of life issues our Kansas communities are known for.

Best wishes and God bless,

  
Representative Jim Minnix
