*Create an understanding of all things Kansas – agriculture, industry, culture for all Kansans.*

Date: February 7, 2025

Attention: Chair Francis and the Transportation Committee  
Kansas House of Representatives

Subject: HB2201

I am writing this letter in support of HB2201 authorizing a specialty FFA license plate in Kansas. What an incredible opportunity for people from all across the state to showcase their support for agricultural education and provide a visible tribute to FFA.

I encourage the Transportation Committee and all members of the Kansas legislator to vote in favor of the creation of a FFA license plate for the State of Kansas.

Thank you for your consideration.

Sincerely,

James Fisher, Executive Director
